## Monarchs win in int'l math-science competition

Two students of Southville International School and Colleges (SISC) brought home medals from the 15th International Mathematics and Science Olympiad for Primary School Students (IMSO) held last Sept. 28 to Oct. 4, 2018 in Zhejiang, China. Ervin Joshua Bautista of Gr. 6 - Perseverance won the Philippines' lone gold medal in Science while Kristner Sheyn Saludo of Gr. 5 - Loyalty scored a silver medal also in Science.

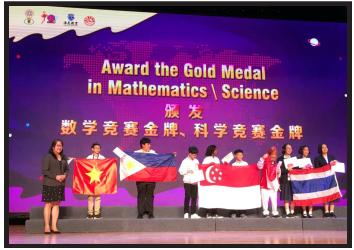

With the theme "Smart, Skilled, and Creative in a Joyful Competition for Excellence," the event drew almost 400 contestants from twenty-one countries and regions including Bulgaria, South Korea, South Africa, Taiwan, Thailand and host China. The contestants were asked theoretical and experimental questions in science covering science skills & methodology, general environmental issues, human anatomy & functions, current technological developments, among others.

## SISC hosts UPCAT on Oct. 27 and 28

SISC has been chosen as one of the test centers of the twoday University of the Philippines College Admission Test (UPCAT) from October 27 - 28, 2018. The UPCAT is one of the major college entrance exams in the country with thousands of senior high school students from all over the Philippines vying for the opportunity to study at the premier state university.

The entrance exams will be held at Multipurpose Hall (MPH), Tropical Campus, divided into morning and afternoon sessions, and will be administered by personnel from the UP Office of Admissions. Fifty-six SISC students registered for the UPCAT while other examinees will come from neighboring schools.

SISC applied as an UPCAT test center to make it more accessible to its students and to those coming from south of Metro Manila. This means examinees from SISC do not have to leave home very early and travel a long distance to UP, cope with heavy traffic in and around the campuses, and search for the exam venue. They will be better rested and less stressed on the day of their exams with the convenience of testing in a familiar environment.

Joshua Bautista (third from left) proudly displays the Philippine flag during the awarding ceremony.
