Grade schoolers earn perfect scores in nationwide English test

Two Grade School students from Southville International School and Colleges (SISC) topped the Standards Based Assessment (SBA) in English for Grade 2 last academic year. Getting perfect scores were Rymmel Renzo Macapagal of Gr. 3 - Courtesy and Japjot Singh of Gr. 3 - Wisdom who will be recognized in an awarding ceremony to be held on November 8, 2018 at the Bayview Park Hotel.

Rymmel Macapagal (farthest left) and Japjot Singh accomplish something rare by getting a perfect score in the SBA.

The SBA is a battery of tests that focuses on accepted standards for each grade level based on national norms and

international standards. The test was taken by hundreds of private schools in different parts of the country given by the Asian Psychological Services and Assessment, Inc.

IB graduates pass top universities tests

The International Baccalaureate (IB) Diploma Program graduates of Southville International School and Colleges (SISC) ranked in the top percentile of the millions of students across the globe who took the competitive college entrance tests of the most prestigious universities in the world to qualify for the course of their choice.

Below are the names of the successful examinees from IB in college entrance exams. They continue a proud SISC tradition of placing its graduates in top colleges and universities here and abroad by virtue of the competent training and quality education SISC provides for them to equip graduates for careers needed in the 21st century.

Calling parents of Grs. 7-11 students

SISC views the relationship it has with its students' parents and families as a partnership - a partnership created to help the students be successful. SISC also knows that when parents are informed, students benefit. Therefore, all parents of Grades 7 - 11 students are invited to A Coffee Chat and Orientation next Saturday, September 29, 2018, 9:00 a.m., at the Luxembourg Hall. This is a wonderful opportunity for parents to meet each other and to meet their children's teachers. They will also be oriented to the school's academic goals, important policies, classroom environment & daily activities, and ask questions or share their concerns. We hope to see you there!

IB students bring advocacy to ATC

An exhibition of artwork produced by SISC IB students to raise awareness about mental health opens to the public this weekend at Alabang Town Center. Entitled #generationIB, the exhibit aims to shed light on mental issues and reduce the stigma surrounding them. All paintings exhibited are for sale with the proceeds going to Talang Dalisay, an organization focusing on the mental health of young adults. Let us support this philanthropic endeavor!

Alumni Profile

(Know more about SISC alumni as they share memories of studying at Southville and how the experience pushed them to realize personal as well as professional goals.)

Andrea Young,
IB Class of
2011

Andrea Young practically grew up in SISC studying in Southville from preschool up to the International Baccalaureate (IB) Diploma Programme. She went on to graduate *Cum Laude* at the University of San Diego in California with a degree of Bachelor of Business Administration major in International Business.

She is currently an Account Manager at Social Code, a technology and insights company that manages digital advertising for the world's leading consumer brands, in San Francisco, California.

Andrea shared that she still lives by Southville's 5Cs: Character, Collaboration, Competence, Creativity and Commitment to Achieve, and the 3Rs of Respect, Responsibility, and Relationship. "I think one of the biggest takeaways from Southville I deem to be extremely important is Respect. Many people tend to neglect it but it is something that gets you a long way. It really defines a person's character and I am fortunate to have that instilled in me from a very young age."

Learn and have fun on weekends

Weekends need not be uneventful and boring for students and parents, alike. Harness your intellect, talent, and skills! SISC offers the Worthwhile Weekend Programs 1 (WWP 1) on academic, sports, and the performing arts to kids aged 3 and above! It is SISC's offering for students and other interested parties who may want to put their Saturdays into good use by learning new skills or knowledge in fun and interesting ways.

In the Performing Arts, the classes offered is Ballet in partnership with ACTS Manila. Basic Drawing and Painting are also available.

For the sports-minded, there are classes in Basketball, Volleyball, Soccer, Karate-Do, Arnis, and Chess.

Program duration is from September - November , 2018. **For details, contact Elydia Reyes or Karen Leyson at 825-6374 loc 100 / 09178532450, or fill out the reply slip of this bulletin. There should be a minimum of 5 students to open a class.**

Appreciating art

Giving your child an appreciation for art encourages imagination, creativity, self-expression and logical thinking. Here are a few ways to help your child learn to appreciate art:

- Set aside time for art.** It's important to allow children to create, experiment and discover.
- Visit art exhibitions.** Kids often receive free or reduced admission to museums so take advantage of it.
- Ask questions that connect art to life.** Prompt them with questions that encourage them to think creatively. (<https://www.wikihow.com/Help-Your-Child-Appreciate-Art>)
