**Class standing notices released**

SISC provides parents and guardians with the Class Standing Notice of their children or wards for them to monitor their children or wards' academic standing and progress within the term. Generally speaking, a student's class standing is based on his or her performance in quizzes, long tests, homeworks, seatworks, recitations, projects, and the like. The term exam score is not yet included.

The Class Standing Notice for the Second Term of Academic Year 2018 - 2019 has been released. After receiving a copy, please fill out and return the reply slip. Parents or guardians of students and wards who are not meeting standards must request for a conference with the teacher so that the deficient areas could be addressed as early as possible.
