## Reminding parents of Gr. 12

SISC views the relationship it has with its students' parents and families as a partnership - a partnership created to help the students be successful. SISC also knows that when parents are informed, students benefit. Therefore, all parents of Grade 12 students are invited to A Coffee Chat and P.A.S.S. Orientation on September 28, 2019, 9:00 a.m., at the Luxembourg Hall.

This is a wonderful opportunity for parents to meet each other and to meet their children's teachers. They will also be oriented to the school's academic goals, important policies, classroom environment & daily activities, and ask questions or share their concerns. We hope to see you there!

## Students to fete their mentors

*"A teacher takes a hand, opens a mind, and touches a heart." - Author Unknown*

The hard work and dedication of SISC teachers will be acknowledged and celebrated by students from preschool to high school during SISC's observance of World Teachers' Day on Oct. 4, 2019. By holding Teachers Day, SISC acknowledges its faculty as the most important resource of the school in its mission to equip learners with competence, character, collaboration, creativity, and commitment to achieve (5Cs) leading to academic and values excellence.

Teachers Day will be made memorable by a special program prepared by the students for their mentors. The shortened period schedule will be followed on that day with the following dismissal time:

Preschool - Grade 2 - 11:00 am  
Grades 3 - 5 - 11:30 am  
Grades 6 - 9 - 12:00 nn  
Grades 10 - 12 - 12:30 pm  
IB1 and 2 - 12:30 pm

## First Holy Communion preparations for Catholics underway

The First Holy Communion is one of the most beautiful and unforgettable events in a Roman Catholic's life. In the Eucharist, the Lord becomes food for the soul in the appearance of bread and wine. Children receive this sacrament solemnly for the first time in the First Holy Communion, and are encouraged to receive it afterward as often as possible to maintain a close relationship with God.

The first communicants from Grade 4 will mark this momentous event in their spiritual life on December 7, 2019, 8:30 am, at the Presentation of the Child Jesus Parish in BF Homes, Parañaque City. Students in other levels (Grade 5 and up) who are qualified and wish to join the ceremony may get in touch with Ms. Beth Sullano of the Counseling and Psychological Services (CAPS) Office in Luxembourg Campus.

Details of the event and the schedule of practices will be contained in a special bulletin to be given to the students who will be part of this celebration.

## Thank you for attending the Parents Orientation

*We would like to thank all the parents and guardians of students in Grades 7 - 11 who attended the Coffee Chat and orientation last September 21, 2019. Your presence and active participation in the activity signify your strong commitment to be a vital part of the SISC community.*

## SISC takes proactive measures to fight dengue

The government has declared DENGUE as a national EPIDEMIC. In this regard, we would like to inform you that as part of SISC's Campus Management program, several activities are being undertaken to ensure that our stakeholders are safe from the threat of dengue inside the school.

1. A reputable pest control company has always been hired to do fogging in all campuses, including the dormitories, twice a month.
2. Localized pest control is done every end of the day using pesticides.
3. There are no open containers with water or stagnant water left anywhere in the campuses.
4. Weekly inspection of all campuses is conducted by the Housekeeping Personnel and Security Team.

As an additional measure, children are encouraged to use anti-mosquito lotion, and wear jackets and socks until such time that this national epidemic is put in complete control.

We enjoin the entire community to be one with us in ensuring that the campus is safe. Please report immediately any possible places where mosquitos can breed.

# SISC to host international schools volleyball tourney

SISC will host the International Schools Activities Conference (ISAC) volleyball competition on October 23 - 27, 2019. It is a great privilege to host the event since it will serve as an opportunity for the school to benchmark, to be further recognized, and to network with other international schools in the country.

SISC students and athletes will gain a lot from this experience especially those who will host some of the visitors. They will meet new friends and be enriched by the cross-cultural experience through sports.

In this regard, we invite parents who would like to be actively involved in the activity to host at least two (2) students from Brent School Baguio, Brent School, Subic, Cebu International School, and Faith Academy Mindanao.

For those who are willing to help, please get in touch with Ms. Rea Villa at 820 - 4035 or thru e-mail villa@southville.edu.ph.
