Parent-Teacher Conference set on Nov. 22

The Parent-Teacher Conference (PTC) presents an excellent opportunity to find out how your child is doing in school and to get to know his/her teachers. This is an important time to discuss how to maximize learning for your child, and identify and address behaviors that are not enhancing that progression. It is an opportunity to build trust and understanding between the home and the school.

The PTC is scheduled on November 22, 2019 from 8:00 a.m. to 5:00 p.m. (following pre-arranged schedule for parents) in Munich, STAR & Luxembourg Campuses. **There will be no classes in all three campuses on November 22 to give way to the PTC.**

Let us meet and collaborate together on how best to help your child optimize his/her potentials. Don't miss this excellent opportunity to establish a partnership with your child's teachers which can lead to academic success and set the tone for positive communication. The more parents understand and support what the school does, the more they are able to help their children.

POUCH beneficiaries face better future through your benevolence

For more than two decades now, Southville International School and Colleges' Save a P.O.U.CH. (Poor Urban Child) Program has been sponsoring the school needs of hundreds of needy school children. With the support of our students and parents, the Save a P.O.U.CH. has quietly and consistently helped these impoverished children through its medical and dental assistance, and scholarship programs. The program is also the school's way of developing social responsibility among its students.

Now on its 26th year, Save a P.O.U.CH. is sponsoring school children from BF Learning Center, Masville Elementary School, C.A.A. Elementary School, C.A.A. Day Care Center, and Daniel Fajardo Elementary School. We are targeting a total of 350 P.O.U.CH. beneficiaries. Listed below are the services of Save A P.O.U.CH.:

- Uniform Allowance
- Monthly Allotment for Educational Supplies
- Annual Payment of Miscellaneous Fees
- Annual Operation Paglingap/Christmas Gift-giving and Interaction with Sponsors
- Interaction between P.O.U.CH. beneficiaries and SISC students during International Week and Christmas Program
- Medical and Dental Mission

Once again, we are inviting you to reach out to the destitute children in our community. Sponsor a child or a group of children. You share only P150.00 per month or P1,500.00 a year distributed to P30.00 in weekly food allowance, P10.00 in monthly miscellaneous school expenses, and P20.00 in monthly educational supplies per child.

Think of the lives you can save from the streets. Think of the children who can stay in school because of your generous support. There is no satisfaction compared to knowing you have helped needy school children. You will discover that this sharing has its own returns and special blessings. The poor have an unspoken plea for help. **Be A Sponsor Now!**

Parenting Corner Tips for an effective PTC

It's important to consult with your child's teacher about academic subjects, social skills and emotional development. Remember, you and the teacher are a team—working together. These tips will help you be better prepared for the Parent-Teacher Conference (PTC):

- 1. Prepare questions in advance.** What groups has my child been assigned to? Is my child finishing the work assigned in class? The most important question of all is "How can I help my child at home?"
- 2. Be specific.** Bring with you any work that is of concern. Describe clearly any situations in the classroom that make your child uneasy. Ask the teacher to describe your child's strengths and weaknesses.
- 3. Start with a positive attitude.** Don't waste valuable conference time by focusing on the negative. You and the teacher are a team. Positive comments such as "How can we solve this problem working together?" will be the first step in coming up with good solutions.
- 4. Discuss the whole child.** Your child's social and emotional development is as important as academic success. Include questions about his or her interaction with other children and willingness to participate in class discussions.
- 5. Allow enough time.** Take time to do the task well. That may mean freeing up your schedule by taking vacation time to attend the conference.
- 6. Leave with a plan.** The conference should end with a clear statement of what you will do and what the teacher will do. Schedule follow-up meetings or telephone calls to be sure the plan is working. (<http://www.thelearningcommunity.us/resources-by-format/tips-for-parents/parent-teacher-conferences.aspx>)
