### ***SISC undergoes internal quality audit***

Southville International School and Colleges (SISC) steps up its efforts to assure the quality of the learning opportunities provided to its students by undergoing an ISO Internal Quality Audit (IQA) this month. The IQA is a process through which confidence is established at SISC in the quality of learning and teaching provided by the school, in the standards of achievement that are set and maintained in the different curricular levels, and in the carrying out of institutional policies directed to these ends.

ISO-trained IQA auditors from the school assessed thoroughly all aspects of SISC's operation: curriculum, teaching, academic management, administration, finance, safety and security, public relations, feedback and complaint procedures, etc. The auditees will then receive feedback including points of excellence, recommendations, and requirements which must be implemented within a set time frame.

## SISC stays alert to COVID - 19

The safety, health and well-being of SISC students, families and staff remains a top priority of the school. SISC continues to monitor the Novel coronavirus (COVID-19) situation closely and takes steps to help ensure the health and safety of the campus community.

Employees and students are encouraged to properly wear mask and bring their own sanitizer and alcohol.

Disinfection and sanitation are being done at the end of the day in all classrooms.

Proper hand washing guides are posted in all restrooms.

Nursing students, guards and staff were trained on how to use the scanner. All thermal scanners are being used in all entrance points of the school.

Hand sanitizers or alcohol are placed in all common areas.

Students and employees are encouraged to do self-isolation if symptoms such as fever, cough, colds, and shortness or difficulty of breathing are manifested. The Medical Team sends home students and employees who manifest such symptoms.

Stakeholders are trained and oriented on how to disseminate information.

### Parenting Corner

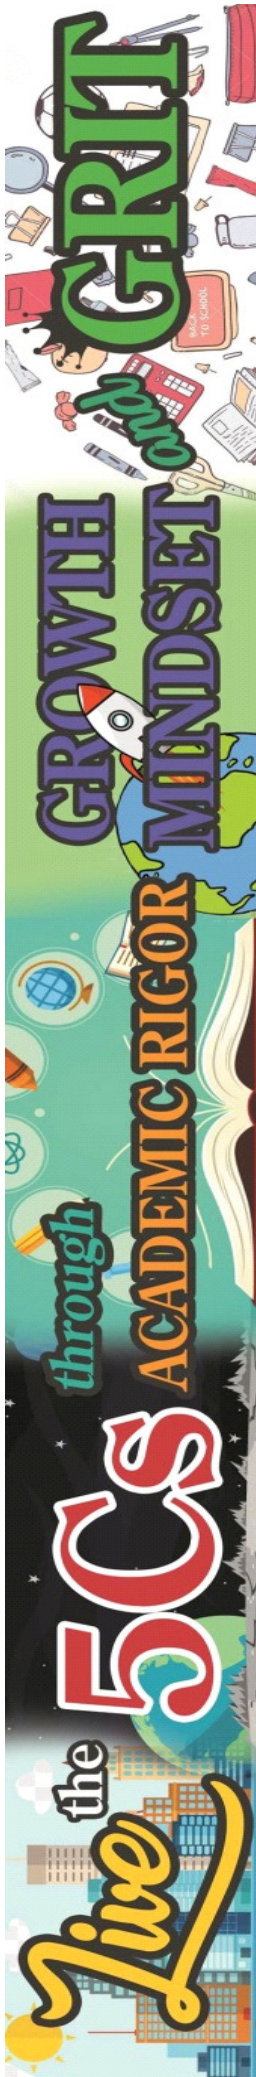

## What parents should do about coronavirus

As a parent, you can't help but worry about the safety of your children. So it's natural that as stories about the novel coronavirus flood the news, parents worry about whether their children could be at risk. Those precautions can help keep them safe from coronavirus:

- 1. Make sure everyone washes their hands.** Using soap and water and washing for 20 seconds (about as long as it takes you to sing the alphabet song) does the trick. If you don't have a sink handy, hand sanitizer will do — make sure you spread it well, getting it all over the hands including between the fingers.

- 2. Encourage healthy habits like eating a healthy diet, exercising, and getting enough sleep.** This helps keep your child's immune system strong.
- 3. Teach children to be careful about the surfaces they touch when you are out in public.** Little hands seem to instinctively reach for everything around them, so you'll need to be creative. Bring things for them to hold instead, or hold hands with them. Have them wear gloves. Wipe down seats and tables in public areas before you use them.

## Reserve for Academic Year 2020 - 2021

The Registration Office would like to make a realistic projection of the student population for academic year 2020 - 2021. To achieve this, SISC needs to determine how many of the present students are reenrolling so that the school can allocate slots for qualified applicants for admission.

Please accomplish the Reply Slip of the Reservation Letter given to all SISC students and return it to your child's class adviser on or before March 15, 2020. In case you have two or more children enrolled in SISC, please accomplish just one form specifying all your children's names and their levels. You may send the reply slip through your eldest child, or you may give it directly to the Registrar's Office in Luxembourg Campus.

It is understood that the reserved slot/s for your child/children may be waived if your reply slip is not returned by March 15, 2020.

### Feb. 25 is a holiday

Malacañang has declared February 25, 2020, Tuesday, a special non-working holiday to commemorate the EDSA People Power Revolution. There will be no classes, and offices will be closed in SISC on that day. Regular classes will resume on February 26, 2020, Wednesday.

### Erratum

The students **Beatriz Lucia Rodriguez** and **Gwyneth Margaux Tangog**, DOST-SEI awardees are from the Grade 10 - Commitment class and not from Grade 9 - Commitment as inadvertently stated in our Students and Parents' Bulletin No. 23. Our Apologies.
