Dear Southville International School and Colleges students, parents, teachers and staff,

Greetings!

I am very proud and appreciative of our teachers, students and staff for the continuous teaching and learning happening from Preschool to Senior High School during this unsettling time. Allow me to commend everyone for successfully implementing our online learning that started last March 11, 2020. I am impressed by the grit shown by our students and teachers and by the full support of the parents of our students. Based on the data gathered by our Deputy Principals, 80 % of our students are engaged in online learning during the cancellation of classes.

Due to the extension of the suspension of classes which will last for a month, SISC will continue with the online learning for all students. The teachers have been making e-learning lessons since the school closure, and have planned and prepared for various scenarios. Details of the schedule will be reflected in the Academic Weekly Planner or AWP's of our students.

1. Online learning will continue from March 16 to April 10, 2020.

We are grateful to the SISC community for its ongoing support of the school's commitment to student learning during this very challenging time. We will continue to monitor the situation and keep everyone informed as new information becomes available. We are confident that if we follow the sound advice and practices that have been advocated like hand hygiene and cough/sneeze etiquette, everyone will be as healthy as can be and our campuses will remain clean, safe and welcoming in anticipation of the resumption of school on April 13, 2020.

Be calm. Stay safe.

Sincerely yours,

Marie Vic Suarez
