Student achievers recognized at Honors Assembly

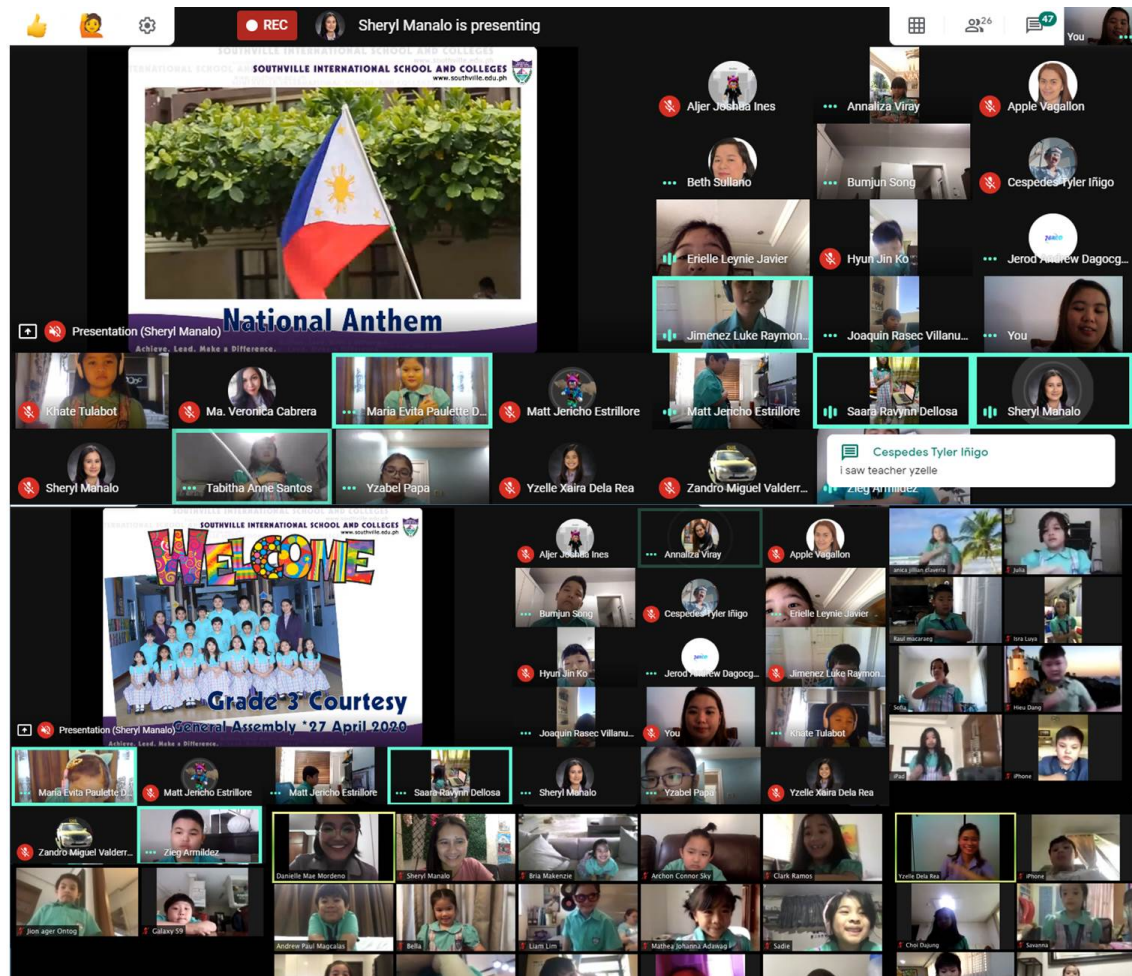

COVID-19 was not going to shut down Southville International School and Colleges (SISC) recognition of outstanding students who have strived for excellence and performed well during the Second Term. Each level held a “virtual honors assembly” to recognize students for their academic achievements and to inspire them moving forward.

The honorees wore proudly their SISC uniform again and cheered their accomplishment in the virtual company of fellow achievers as they were awarded by their homeroom advisers and their Deputy Principals. Even though it did not allow for the traditional handshakes and handing over of certificates, it still celebrated the students' well-deserved and well-earned success.

SISC preps for first online assessment

To assess and evaluate how well Preschool to Grade 12 students have learned in the core subjects and their degree of readiness to move to a higher level, SISC will conduct its first online assessment starting next week. The virtual exams in English, Science and Math will take the place of the Standards-Based Assessment (SBA) Post-Test that the students usually take at the end of the academic year.

Each exam is composed of age and level appropriate number of multiple choice questions which will be divided into two days. The examinees have to answer a set of questions per day. The schedule of the online assessments is as follows:

Level	Dates
Preschool	May 12 – 14, 2020
	May 19 – 22, 2020 for their Fluency Exam
Grades 1 & 2	May 19 – 22, 2020
Grades 3 , 4 & 5	May 7 – 14, 2020
Grades 6 & 12	May 4 - 7, 2020
Grades 7 & 8	May 26 – 28, 2020
Grades 9, 10 & 11	June 1 – 3, 2020

The time of the online assessments will be reflected in the Academic Weekly Planner sent to each student. The online assessment reviewers, meanwhile, will be uploaded in the student's Moodle account.
