## STUDENT INVESTORS FIND WINNING FORMULA FOR STOCK MARKET

Despite the unpredictability of the stock market caused by the pandemic, Southville International School and Colleges (SISC) senior high school students delivered profitable returns in this year's Stock Market Challenge. They outpaced the other teams of stock market investors from the Southville Global Education Network (SGEN) to lead after the initial rounds of trading.

Below are the results as of February 19, 2021:

RCMS-CMLC SGEN Stock Trading Challenge TOP GAINERS AS OF FEB. 19, 2021			
#	SCHOOL	SECTION	% PROFIT
1	SISC	11 Innovation	18.08%

# RESERVATION FOR ACADEMIC YEAR 2021-2022 IS NOW OPEN

Dear Parents/Guardians,

Warm Greetings!

Academic Year 2020-2021 is nearing its end and we would like to thank you for your trust and strong support for Southville International School and Colleges (SISC). We are happy to share with you that we recently gave a virtual tribute to our outstanding alumnus, Gen Mark Tanno, who started with us at the age of five and just now graduated summa cum laude from the Georgia Institute of Technology, U.S.A. with double majors in Aerospace Engineering and Computer Science.

On a different note, we transitioned to Virtual Online Learning and Teaching (VOLT), benchmarked with top virtual online teaching standards in the US since March 2020 and delivered what we committed to do which is to ensure student achievement even with the shift to online platforms. The Southville VOLT also creates spontaneous learning experiences in the virtual presence of classmates and teachers, thus providing opportunities for socio-emotional support and connection.

As part of efficient resources management, we would like to make a realistic projection of the student population for A.Y. 2021-2022. To achieve this, we need to determine how many of our present students are re-enrolling and how many of their siblings are enrolling as new students. For new students, we give priority to the siblings of our old students. Through this, we can allocate slots for new student applicants who qualify for admission. Below are the planned modes of learning for Academic Year 2021-2022:

Mode of Learning	Schedule	Set-Up
Virtual Online Learning and Teaching or VOLT	1st to 3rd Terms	Combination of synchronous and asynchronous online classes; same setup as AY 2020-2021
Blended Learning	As soon as face-to-face classes are permitted by the government	Partial Face-to-Face and VOLT

In this regard, kindly fill out the online early enrollment reservation form and send to [pr@southville.edu.ph](mailto:pr@southville.edu.ph) as soon as possible. There will be NO INCREASE in the tuition fee while we are on VOLT. A supplementary increase will be charged though once we are back to face to face. Preschool, Grade School, and High School students who have fully paid their accounts, have no academic deficiency, and have no discipline issues can already reserve a slot for academic year 2021-2022:

**A. Early Enrollment:**

There will be an early enrolment discount for students who will enroll from April 2021 to May 2021.

**B. Alumni Discount**

- a. Dependents of alumni who will be enrolling at SISC will enjoy an Alumni Discount.
- b. Alumni who wish to pursue their graduate studies (MA in Business Administration, Master in Information Technology, Master of Arts in Psychology) at SISC will enjoy a discount of 10% on tuition fee for one term and 5% on the subsequent terms.

**C. Share the Southville Experience**

For the Academic Year 2021-2022, we are launching our Share the Southville Experience to students and parents who have friends, relatives, and family members who wish to join the Southville Community. Share with us their names and contact information through the Share the Southville Experience Form, and we will reach out to them to explain the Southville programs. We will also acknowledge you in a tangible manner for sharing your pride of the Southville experience. For any inquiries about the program, please contact Elyds Reyes or Gerlie Montellano of our Public Relations Team via [pr@southville.edu.ph](mailto:pr@southville.edu.ph).

**D. Express your AY 2020-2021 Experience**

As we prepare for A.Y. 2021-2022, we would also appreciate it if you can give us your input on the school's performance this academic year and share feedback on how we can surpass our students' achievements. Please answer the questions on the second page of this letter. We thank you for your unwavering support to the school and we look forward to another successful partnership with you towards your child's educational success for A.Y. 2021-2022.
