# FREE SUMMER PROGRAMS FROM STUDENT VOLUNTEERS EXTENDED

Following the success of its first run, SISC is beyond excited to bring back the second round of its free online summer programs handled by Grades 11 & 12 students as part of their Service Learning Program. It is a chance for preschool to high school students to have a great time and expand their horizons while staying productive during the break.

The participation of senior high school students as mentors in the school-supervised programs makes them more of a brother, sister or friend to the mentees who feel relaxed and comfortable learning and improving new skills. Take a look at the exciting and enriching free online summer programs available:
