SISC ASSURES STUDENTS' SAFETY WITH GOVERNMENT CERTIFICATION

After a thorough inspection, Southville International School and Colleges (SISC) was awarded a Safety Seal Certification by the local government unit of Las Piñas City and deemed safe for on-campus classes. Receiving the certification means the school has complied with government-mandated safety and health protocols and sanitation facilities to curb the spread of COVID-19.

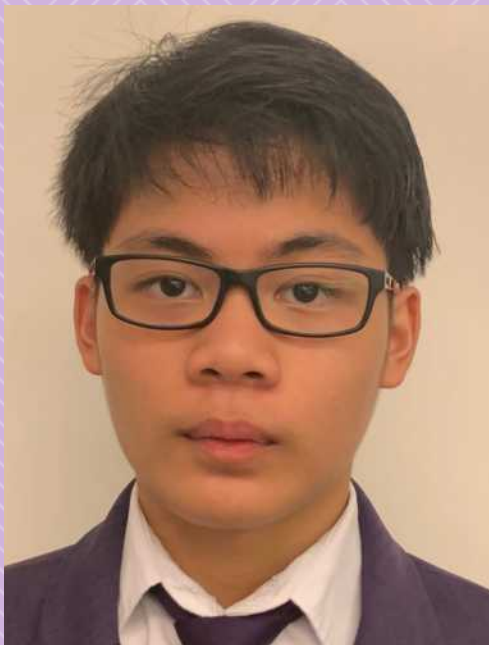

The school has recently resumed limited face-to-face classes for its Grades 1, 2, 3, 12 and International Baccalaureate 2 students. The safety seal literally serves as a stamp of approval of SISC's uncompromising health and safety standards, and further increases students, teachers and staff's confidence that they are safe while they are in school.

MONARCHS WIN IN LEADERSHIP CONFERENCE

SISC junior high school students made quite a showing at the 5th St. Scholastica's College Leadership Summit held virtually for student leaders in the country. Joshua Levi Santos of Gr. 8 - Integrity and Brielle Victoria Rodriguez of Gr. 9 - Compassion took first runner-up in the Position Paper Writing - English Competition while John Matthew Cabiles of Gr. 10 - Commitment won second runner-up in the News Writing - English Competition.

Santos and Rodriguez presented their arguments with references and views on the topic "Did the pandemic change the political stance of the Filipino people? Why or why not?". Cabiles, on the other hand, wrote about Day 1 of the summit which featured talks about Service in the Community: Concretizing Actions through Volunteerism and Service in the Country: Being a Visible and Proactive Leader.

STUDENTS HOST ONLINE MODEL UN SESSIONS

SISC students organized their own Model United Nations (MUN) Conference last February 25 - 26, 2022. While many MUN conferences were cancelled because of the pandemic, the SISC MUN ambassadors used digital platforms to recreate the "traditional" Model United Nations experience. The conference was attended by student delegates from the Southville Global Education Network (SGEN).

Students from South Mansfield College, Asian SEED Academy of Technology, Stonyhurst Southville International School - Batangas and Stonyhurst Southville International School - Malarayat joined their SISC counterparts in representing a country and solving international problems through debates, negotiations, resolutions and voting. MUN serves as a simulation of the works of the United Nations and is a mainstay of SGEN's extra-curricular program.

SCHEDULE OF SECOND TERM EXAMS SET

SISC will be conducting its Second Term Assessments from March 14 - 17, 2022 using Socrative or Exam.net. Exam.net and Socrative is a secure online platform that allows students to take e-exams using their own digital devices at home. Prior to the Second Term Assessments, SISC students already took a practice test so they are accustomed to the testing platform.

*"My daughter Adrianna and I spent the first year of the pandemic **working and studying at home together**. It felt like she grew up so fast even if she's locked down in our house doing her studies and homework. And as a parent, I was given an opportunity to watch my child blossom in her studies having done school work at home as I work too. Now, Adrianna successfully moves up to Grade 2, still as excited to do the Southville Virtual Online Learning and Teaching (VOLT) Program again."*

For the Academic Year 2021-2022, we are launching our Share a Southville Experience to students and parents who have friends, relatives, and family members who wish to join the Southville Community. Share with us their names and contact information through the Share the Southville Experience Form, and we will reach out to them to explain the Southville programs.

We will also acknowledge you through a token of Gratitude for sharing your pride in the Southville experience. For any inquiries about the program, please contact Elyds Reyes or Gerlie Montellano of our Public Relations Team via pr@southville.edu.ph.
