SUPER TYPHOON VICTIMS FIND NEW HOMES THROUGH SFO

Ninety-five days since tropical cyclone Odette hit southern and central Philippines, displaced families in Bindoy, Negros Oriental can look forward to returning home through the generosity of Southville for Others (SFO). SFO's "Help Rebuild a Home for Odette Victims" charity drive was able to raise more than ₱430,000 which were earmarked for repairing and rebuilding better homes for the disaster victims.

Bindoy Mayor Ike Amorganda led the groundbreaking ceremony for the housing project to be constructed through the donated funds of Southville International School and Colleges (SISC) students, parents, teachers, staff and friends.

Mayor Amorganda thanked SFO for the GI sheets, lumber, nails, plywood, cement and hollow blocks that will go into building safer and stronger houses for the residents.

A total of 15 of the most affected families from Barangay Ilaya whose houses were destroyed by Super Typhoon Odette will be transferred to the project site. Many thanks again to all SFO donors for sharing their blessings, spreading kindness and sparking hope to those who need it the most. Your help has touched many Filipino lives.

GROUNDBREAKING CEREMONY

JHS DEBATERS ARE CHAMPS OF THE FIRST SGEN DEBATE CUP

The Junior High School (JHS) Debate Team of SISC won the top award at the first ever Southville Global Education Network (SGEN) Debate Cup held virtually last February 12, 2022. Stephanie Brown, Mikaela Ysobel Cabaero and Brielle Victoria Rodriguez can call themselves champions after defeating the teams from Southville International School affiliated with Foreign Universities, South Mansfield College, Stonyhurst Southville International School - Batangas, Stonyhurst Southville International School - Malarayat, and Asian Seed Academy of Technology.

The team qualified for the final round by winning in the elimination round of the competition designed to promote critical thinking and the development of oral communication skills, particularly in the art of argumentation, articulation, and advocacy. The competition followed the rules of the Asian Parliamentary Debate which featured two teams (affirmative and negative) of three speakers each with the victory going to the team with a stronger position on the topic and stronger arguments to support their position.

SOCIAL-EMOTIONAL LEARNING (SEL) CORNER

UNDERSTANDING CHALLENGING BEHAVIOR

KIDS DON'T MISBEHAVE OR BREAK THE RULES TO MANIPULATE US.

Challenging behavior is often developmentally appropriate and is usually a sign of an unmet need or underdeveloped skill.

As parents, guardians, and caregivers, we need to become more curious and less judgemental.

WHAT YOU SEE:

They're having a tantrum over not getting what they wanted.

They're not sitting still at dinner time.

They're constantly fighting with a sibling.

They are not engaged with learning.

WHAT'S REALLY GOING ON WITH THE CHILD:

"I lack self-regulation skills and get overwhelmed by my big emotions."

"I have a lot of unspent energy and I need help to channel it."

"I need support and practice with conflict resolution."

"This is not interesting to me, I don't see the point in learning this."

ACTING OUT IS A CRY FOR HELP. A CRY FOR LOVE.

Health Advisory #24
Academic Year 2021-2022

HOW TO BOOST YOUR IMMUNE SYSTEM

It is not just a "cold".

An infection can cause you a lot like missing work and an important event.

Our immune system works to defend our body against viruses, bacteria and fungi that we are exposed to everyday. They can be inhaled, rubbed or swallowed which makes us sick. Those with low immune systems are like older people and those with existing medical conditions are prone to developing illnesses.

Below are tips to strengthen your Immune System:

- Get enough sleep.
- Exercise moderately and regularly.
- Practice good hygiene.
- Maintain a healthy diet.
- Hydrate.
- Minimize stress.

Don't forget to wash hands!

- Look on the bright side. Your body defenses work better when you think good thoughts.
- Avoid drinking alcohol.
- Quit smoking.

"Take care of your body and it will take care of you."

*"My daughter Adrianna and I spent the first year of the pandemic **working and studying** at home **together**. It felt like she grew up so fast even if she's locked down in our house doing her studies and homework. And as a parent, I was given an opportunity to watch my child blossom in her studies having done school work at home as I work too. Now, Adrianna successfully moves up to Grade 2, still as excited to do the Southville Virtual Online Learning and Teaching (VOLT) Program again."*

For the Academic Year 2021-2022, we are launching our Share a Southville Experience to students and parents who have friends, relatives, and family members who wish to join the Southville Community. Share with us their names and contact information through the Share the Southville Experience Form, and we will reach out to them to explain the Southville programs.

We will also acknowledge you through a token of Gratitude for sharing your pride in the Southville experience. For any inquiries about the program, please contact Elyds Reyes or Gerlie Montellano of our Public Relations Team via pr@southville.edu.ph.
