SISC HOLDS TRIUMPHANT IN-PERSON GRADUATION AFTER 3 YEARS

Making a welcome return, the first in-person graduation ceremony since the onset of the COVID-19 pandemic was held in Southville International School and Colleges (SISC) for the Senior Kinder, Grade School and High School Classes of 2022. The ceremonies were held at Luxembourg Hall and were also streamed live via Zoom.

The celebration marked one of the first on-campus events of any kind at SISC since the pandemic disrupted life around the world. The graduates were able to come together in person and receive their diplomas in honor of their resilience and perseverance under trying circumstances.

The welcome remarks were given by SISC President Jocelyn Tizon who expressed to the students how proud they should be of their achievements. "You took your education into your own hands, developed new strategies to learn, stayed engaged, and retained the learning imparted by your teachers. We have seen you grow into thoughtful, responsible, considerate and caring human beings that made you graduate during a global pandemic, something that very few can say they have," Tizon said.

Graduating with the top honors were the following:

VARSITY SPORTS RESUME SUMMER TRAINING

This summer, SISC athletes have returned to something resembling normal training since the school gym and field originally shut down due to the pandemic. Varsity players preparing for a return to competition haven't been on campus until early this year, let alone practicing and competing with their teammates as they are accustomed to.

Despite being subject to health protocols, most athletes expressed excitement at returning to in-person practices and getting to spend time with their teammates and coaches again. Below is the summer training schedule for basketball, football and volleyball varsity teams:
