for K-12 & IB

Southville International School and Colleges

Internationally Accredited by the Western Association of Schools and Colleges; Recognized by the Department of Education as a School of the Future; An International Baccalaureate (I.B.) Authorized World School; Investors in People Gold Awardee; ISO 9001:2008 Certified

## SISC unveils new green space

Southville International School and Colleges (SISC) students were met with a brand new park on their first week of school in Luxembourg Campus. Aptly named Monarch's Park, the school's newest green space is home to trees, shrubs, stone walkways, water features and benches where students and employees can relax, grab a bite, study or take a breather.

It transformed a concrete court into a lively outdoor landscape where students can enjoy a variety of social, academic, recreational and artistic activities. The design mixes the old with the new by retaining the site's original, mature trees then planting saplings – most of them red banaba, red kalachuchi and African talisay. As they age, their foliage will grow and spread, deepening the cover and cooling the campus.

During the lockdowns, the importance of nature and green space for health and well-being has never been more appreciated. Parks and gardens have become unexpected sources of calm and joy which will now become part of the student experience at SISC with Monarch's Park. This new addition to campus is sure to become a key attraction for both guests and current and former Monarchs.

# Mathlete takes bronze in international math contest

**Julian Marius B.  
Hermanos  
3 – Kaizen**

A Grade 3 student bagged a bronze medal in the 2022 Hong Kong International Science Olympiad - Final Round held recently online. Julian Marius Hermanos of Gr. 3 - Kaizen won the individual award as a member of the Philippine team for the worldwide competition.

Students from Australia, Cambodia, Hong Kong, Kyrgyzstan, Myanmar, the Philippines, Singapore, Sri Lanka, Thailand, and Vietnam participated in the physics, biology, chemistry, and integrated sciences competition. Hermanos studied topics and learned skills beyond his grade level to win his award.

## Coffee Chat and Orientation for Parents and Guardians set

SISC views the relationship it has with its students' parents and families as a partnership - a partnership created to help the students be successful. We also know that when parents and guardians are informed, students benefit. Therefore, all parents and guardians are invited to the virtual Coffee Chat and Orientation to know more how your children will learn with HyVOLT (Hybrid Virtual Online Learning and Teaching), and to meet your children's teachers.

**Below are the dates for the respective orientations this month (the registration links will be sent by your child's class adviser):**

**Grades 10–11: September 30, 2022 (2:00 - 4:00PM)**

**Grade 6: October 1, 2022 (9:00AM-12:00 NN)**

**Grades 7 - 9: October 22, 2022 (10:00AM - 12:00 NN)**

**Grade 12: September 23, 2022 (2:00 - 4:00PM)**

**IB 1 and 2: September 23, 2022 (2:00 - 4:00PM)**

**This is a wonderful opportunity for parents to meet each other and to meet their children's teachers. They will also be oriented to the school's academic goals, important policies, classroom environment & daily activities, and ask questions or share their concerns. We hope to see you there!**

## **Erratum**

**In Students & Parents Bulletin #1, the article "Officers & Heads in Basic Education for AY 2022-2023" the name of Mr. Erik Lloyd Timpug, Grade 6 level facilitator was misspelled. Our apologies.**

# BFFHAI car stickers issuance guidelines and car sticker rates

Families of SISC students may apply for a BF Federation of Homeowners Association, Inc. (BFFHAI) car sticker following the guidelines below:

## Need to know *from* ADMIN

AY 2022 – 2023    SEPTEMBER 7, 2022    Issue No. 4

Dear SISC Community,

The BF Federation of Homeowners Association, Inc. (BFFHAI) has Issued the following guidelines in getting a BFFHAI sticker for SISC students, employees, and parents:

1. Fill out the application form. Application forms are available at the front gate guard or may be downloaded thru BFFHAI website (<https://bffhaionline.com>).
2. Only students currently enrolled in SISC will be given an endorsement.
3. For every application the following documents should be attached:
  - a. Photocopy of the OR/CR of the car
  - b. Photocopy of the Proof of enrollment (Registration form, most recent student ID).
  - c. Photocopy of at Least 1 valid ID of the car owner (Government issued ID).
  - d. For assigned company cars, attach certification from the company.
  - e. Refer to the BFFHAI Board Letter released Last September 2, 2022.
4. Processing of BFFHAI sticker is from Monday – Friday (8:00 AM – 5:00 PM). Stickers can be claimed at the front gate guard a week after the application has been submitted. Please present your acknowledgement receipt when claiming your sticker.
5. BFFHAI will not entertain walk-in clients enrolled in SISC.

Thank you very much!

Sincerely yours,

  
Ronaldo Verde

# HEALTH ADVISORY

**Dear Parents and Guardians,**

Good Day!

In line with the preparation for face-to-face learning in Academic Year 2022-2023, we are requesting you to complete your child's **Student's Medical Record Form, Medication Permission Form and Undertaking for HyVOLT and full face-to-face**, so we can provide appropriate medical care in the event of an accident or emergency.

Kindly fill out all the information needed and do not leave any box unmarked. Write NA in items that are not applicable to your child. Your cooperation in completing and submitting the form promptly is greatly appreciated.

Thank you very much!

Sincerely,  
**SISC Medical Team**

Please click the button below for the links of the forms:

**[Student's Medical Record Form](#)**

**[Student's Medication Permission Form](#)**

**[Undertaking Form for HyVOLT and Full Face-to-Face](#)**

**Noted: Please send the signed copy of the Undertaking Form to [medical@southville.edu.ph](mailto:medical@southville.edu.ph)**

In case your child is absent due to sickness, he/she needs to fill out this form before going back to class. We are strictly implementing the

**"No Proof, No Return to School" Policy.**

### Quarantine, Isolation and Testing Guidelines

Isolation and quarantine help protect the public by preventing exposure to people who have or may have a contagious disease.

**Asymptomatic close contacts:** Testing is NOT recommended, unless symptoms will develop. The advice is to self monitor. Should testing still be used, it should be done at least 5 days from the day of last exposure.

**Symptomatic close contacts:** Immediate testing is required.

**Quarantine:** Separates and restricts the movement of people who were exposed to a contagious disease to see if they become sick.

#### Calculating Quarantine

The date of your exposure is considered Day 0. Day 1 is the full day after your last contact with a person who has COVID-19

COVID-19 Case Category	Vaccination Status	Required days of Quarantine
Asymptomatic close contact	Fully Vaccinated (at least 2 doses)	At least 5 days from last contact
	Partially Vaccinated or Unvaccinated	At least 14 days from last contact

**Isolation:** Separates sick people with a contagious disease from people who are not sick.

#### CALCULATING ISOLATION

Day 0 is your first day of symptoms or a positive viral test. Day 1 is the first full day after your symptoms developed or your test specimen was collected.

**Isolation** can be discontinued upon completion of the required days provided that you do not develop fever for at least 24 hours without the use of any antipyretics medications and should have improvement of respiratory symptoms.

COVID-19 Case Category	Vaccination Status	Required days of Isolation
Asymptomatic confirmed case	Fully Vaccinated (at least 2 doses)	At least 7 days from positive test (sample collection date)
	Partially Vaccinated or Unvaccinated	At least 10 days from positive test (sample collection date)
Symptomatic, suspect, probable or confirmed case with MILD symptoms  (common cough and colds, fever or chills, itchy throat which are manageable at home)	Fully Vaccinated (at least 2 doses)	At least 7 days from onset of symptoms
	Partially Vaccinated or Unvaccinated	At least 10 days from onset of symptoms
Symptomatic, suspect, probable or confirmed case with MODERATE symptoms  (if mild symptoms worsen, consult your doctor)	Regardless of vaccination status	At least 10 days from onset of symptoms
Symptomatic, suspect, probable or confirmed case with SEVERE and CRITICAL symptoms  (life threatening, need immediate medical attention)	Regardless of vaccination	At least 21 days from onset of symptoms
Severely Immunocompromised  Autoimmune disease, HIV, Cancer/Malignancy, Transplant patients, Undergoing steroid Treatment, Patients with poor prognosis/Bed-ridden patients	Regardless of vaccination	At least 21 days from onset of symptoms with negative repeat RT-PCR

Stay Safe. Beat COVID-19.

# Social - Emotional Learning Corner (SEL)

## TIPS FOR PREPARING STUDENTS BACK TO SCHOOL

Make sure children are going to bed early enough and have a morning routine.

Start preparing children for the idea that school may look a little different this year, and that these changes are to keep everyone safe and healthy.

Be honest and open. It is okay to tell them that you don't know or that you wonder the same thing.

Use these conversations as an opportunity to check in with your children about any fear and anxiety they may be experiencing.

Model good habits for your children, including good hand hygiene, covering coughs and sneezes, staying home if you don't feel well and wearing face masks in public.
