## FIFTH GRADER STRIKES GOLD IN INT'L GYMNASTICS COMPETITION

*Tchelzy Mei E. Maayo*  
5 - Trustworthiness

A student-athlete from Southville International School and Colleges (SISC) won five gold medals at the 8th International Gymnastics Invitational that took place in Jakarta, Indonesia last December. Tchelzy Mei Maayo of Gr. 5 - Trustworthiness dominated the women's artistics Level 5 with victories in the floor exercise, vault, uneven bars, beam, and individual all-around events of the 12-and-under category.

For her feat, Maayo was featured by the Philippine News Agency which is the official newswire service of the Philippine government. The article summarized her wins at various gymnastic competitions and also her journey towards the championships. Read how Tchelzy somersaulted her way to victories by clicking <https://www.pna.gov.ph/articles/1191478>.

# STEM STUDENTS SHOW SPIRIT OF GIVING THROUGH 'ADOPT A KUYA/ATE PROGRAM'

Senior high school students from STEM (Science, Technology, Engineering, and Mathematics) came together and demonstrated the true meaning of Christmas by holding the "Adopt a Kuya/Ate Program" last December 15, 2022 at Monarchs Park. They distributed noche buena baskets to maintenance personnel to show how much they are valued.

"That was unexpected because we never thought that we would receive a gift from them," Kuya Raymon Gallano said in Tagalog in an interview. "It was their Christmas party, not ours. We were just there to help them clean out their room, and we did not expect that they would give us a gift. We also thought that they would give gifts only to maintenance personnel on their floor. Turns out we were also included in the program that was why I was shocked."

On the students' part, Nathan Dichupa of Gr. 11-Competence said, "Gift giving for the ates and kuyas last Christmas was a fulfilling experience. After two years of not being able to do so due to safety protocols, it was great to finally give gifts again. It's great that we had this program as we involved most of the students and made Christmas more special for non-teaching employees. It made me realize that the school Christmas party was also a day to share our blessings with the people who work so hard to make the school a better place."

## INSTITUTIONAL SURVEY LEADS TO IMPROVEMENT

SISC is a firm believer that educating a child is a collaborative effort between the home and the school. Just like you, SISC wants what is best for your child in terms of growing in knowledge and in values. We value parents' comments and suggestions that improve the learning experiences of a child.

It is in view of our shared goal that SISC is conducting the Institutional Survey for parents and students. Please answer the Institutional Survey Form for Parents and Students linked to this bulletin so the school will know how it is doing and what more it can do to help your children achieve their potentials and become movers of society. Together, we can make a difference.

# THANK YOU FOR ATTENDING THE PTC

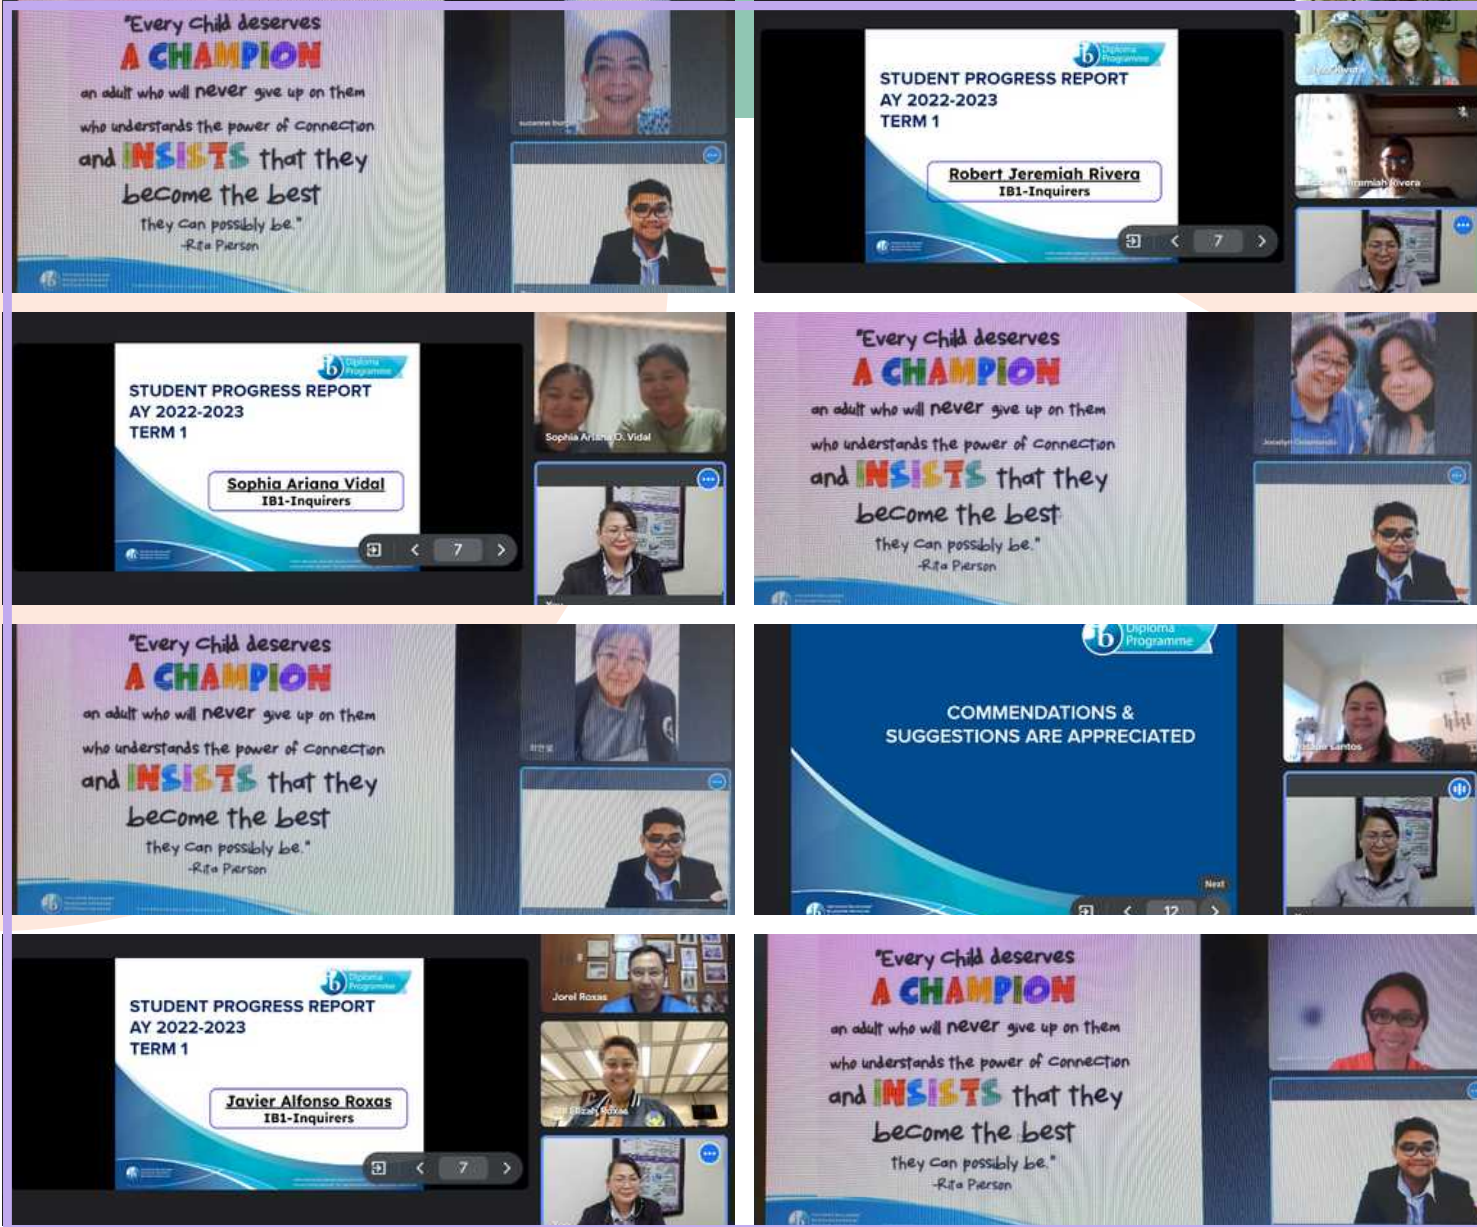

We extend our heartfelt thanks to all the parents and guardians who attended the Parent-Teacher Conference (PTC) regarding your child's school performance during the First Term. We appreciate your taking the time to meet virtually or in-person your child's class adviser to develop a shared understanding of how your child can make academic and personal progress, switching from online to hybrid learning. We look forward to our continued partnership throughout the remainder of the school year.

# TOWPEP JOURNAL SURVEY FOR PARENTS

Dear Parents,

The Academic Team of SGEN is currently doing a research on the effect of the Tier One Well-being and Personal Effectiveness Program (TOWPEP) on the character development of SGEN students. This is part of our continuous improvement process to ensure that our students achieve our twin thrusts: Academic and Values Excellence.

Thank you for your time and support to our initiative.
