## SGEN celebrates opening of new school

The Southville Global Education Network (SGEN) recently celebrated the grand opening of its new state-of-the-art campus in Antel Grand Village, Cavite - the Southville Monarchs International School (SM-IS). The new school will be managed by Southville International School and Colleges (SISC) and serve students from preschool to Grade 2, with plans to add one grade per year.

Several officials from SGEN, the city of Gen. Trias, teachers, students, and guests came together for the ribbon-cutting ceremony, celebrating the completion of the new school. SGEN Chief Executive Mentor Genevieve Laurel, SM-IS Founder Rex Wallen Tan, SGEN President Jocelyn Tizon, and City Councilors Hernando Granados and Edwin Rodriguez all helped cut the ribbon to mark the beginning of access to international education close to home for Caviteños.

SM-IS is the eighth member school of SGEN, symbolizing its unwavering commitment to open doors for its learners to become leaders, innovators, and change-makers of tomorrow. The other SGEN members are SISC, Southville International School Affiliated with Foreign Universities, South Mansfield College, Stonyhurst Southville International School-Batangas, Stonyhurst Southville International School-Malarayat, South SEED - LPDH College, and the Asian SEED Academy of Technology.

## Alumna's Artistic Brilliance Shines at Komiket 2023

Shane Allison Climacosa of SISC High School Class of 2023 made history as the youngest-ever published artist at Komiket 2023. Her remarkable achievement underscored her extraordinary talent and the festival's commitment to inclusivity.

Komiket is an annual festival that celebrates indie comic creators since 2017, and recently opened its doors to artists of all ages. Climacosa's entry, "Don't Be Afraid," stood out for its dynamic digital artistry, blending graphic elements with realism.

# Coffee Chat and Orientation for Parents and Guardians

SISC views the relationship it has with its students' parents and families as a partnership - a partnership created to help the students be successful. We also know that when parents and guardians are informed, students benefit. Therefore, all parents and guardians are invited to the Coffee Chat and Orientation in Luxembourg Hall to know more how your children will learn, and to meet your children's teachers.

Below are the dates for the orientations:

Grade 12: September 22, 2023 (2:00 p.m.)

Grade 6: September 29, 2023 (10:00 a.m.)

Grade 11: September 29, 2023 (2:00 p.m.)

Grade 7 & 8: October 12, 2023 (10:00 a.m.)

Grade 9 & 10: October 12, 2023 (2:00 p.m.)

International Baccalaureate 1 & 2: October 13, 2023 (2:30 p.m.)

This is a wonderful opportunity for parents to meet each other and to meet their children's teachers. They will also be oriented to the school's academic goals, important policies, classroom environment & daily activities, and may ask questions or share their concerns. We hope to see you there!

# SISC Car Sticker is Out

Availing of a school car sticker offers several advantages to SISC students, parents, and the school community. Here are some of the benefits:

**Identification:** School car stickers serve as a visual identifier, allowing school staff to quickly recognize authorized vehicles on campus and enhancing security.

**Safety:** By clearly marking vehicles associated with the school, it becomes easier to control access to the premises and ensure the safety of students and staff.

**Parking Priority:** Vehicles displaying the school car sticker get authorized access to parking spaces.

**Drop-off and Pickup Efficiency:** School staff can easily identify which vehicles belong to students and parents to streamline the drop-off and pickup process and reduce congestion.

**Security:** Stickers can deter unauthorized individuals from entering school premises, enhancing overall security and preventing potential threats.

**Emergency Contact:** In case of emergencies, school staff can quickly identify vehicles associated with students or parents, facilitating communication during critical situations.

**Community Building:** School car stickers can foster a sense of community by visibly displaying affiliation with the school, promoting school spirit.

# SOCIAL-EMOTIONAL LEARNING(SEL) CORNER

## HOW TO MANAGE OVERWHELM USING THE TOLERANCE CUP

Our body has a **tolerance cup**. Depleting or frustrating experiences add water to the cup throughout the day.

- \* You had a terrible night's sleep
- \* Your sibling broke your favorite toy
- \* You have a test at school, and you are anxious

**By the middle of the day, your tolerance cup is filling up. You might be feeling irritable with many emotions inside.**

- \* A boy pushed you on the bus
- \* You are tired from sports practice
- \* You did not do well on your test

**You come home from school tired and irritable. Your tolerance cup is very close to overflowing.**

- \* You are asked to do chores
- \* Someone asks how your test went
- \* You are asked about your homework

Sometimes, even the tiniest drip can make it spill if our cup is really full. When your cup overflows, **strong emotions** come out of your body, which can get messy.
