Monarchs named top-10 finalists in STEM contest

The SISC delegations clinched a top-10 spot in the final round of an inter school science competition, focusing on science, mathematics, and artificial intelligence. The **Southville Juniors Team** finished in fourth place, and the Seniors Team ended in ninth place in “InterScientia” organized by the Trainers’ Guild of Saint Jude Catholic School.

The Juniors Team was composed of **Graciela Gonzales** of Gr. 9 – Compassion, and **Blaise D’Aran and Rymmel Macapagal** of Gr. 8 – Integrity while the Seniors Team was made up of **Mateo Estanislao** of Gr. 10 – Commitment, and **Arthur D’Aran and Johnna Clayne Chao** of Gr. 10 – Prudence. They competed against 17 other teams from 9 schools in terms of scientific knowledge and problem-solving skills. The Interscientia students mentioned above were proudly accompanied and supported by their Math Coach, Sir Patrick Edward Corvera,

Vision

Southville International School and Colleges is recognized nationally and globally in the delivery of international education to develop lifelong learners, excellent in academics and values, and movers of society who will make a difference in the 21st century.

Mission

SISC is committed to develop lifelong learners who are equipped with the 5Cs (Competence, Character, Commitment to Achieve, Collaboration, Creativity, and Innovation) through data-driven and technology-enhanced educational programs to ensure student success in the 21st century.

their Environmental Science Coach, Ms. Sophia Balajadia, and the Head Coach and Chemistry Coach, Ms. May Anne L. Ko.

Fifth grader wins international piano competition

A grade school student from Southville International School and Colleges (SISC) recently won **first place** in an international piano competition. **Jenica Roque of Gr. 5 - Honesty** was declared champion at the International European Music Competition (IEMC) 2024 held for the Hong Kong region last March 16, 2024.

Roque got a score between 91 - 100 to clinch the crown in the age 10 or under category. Her victory qualified her for the IEMC 2024 Final to be held in August in Düsseldorf, Germany. She can also participate in the master class music camp to be conducted during the final by famed international musicians.

April 9 and 10 are national holidays

Malacañang has declared **April 9 and 10, 2024**, special non-working holidays in observance of the **Day of Valor** and **Eid Fitr (Feast of Ramadhan)**, respectively. There will be no classes, and offices will be closed in SISC on those days. Regular classes will resume on **April 11, 2024, Thursday**.

AROUND SGEN

Why choose BS Psychology Program in SISC?

The Bachelor of Science in Psychology program at Southville International School and Colleges stands out as the premier psychology school. Here's why:

P - Paramount Achievements of Students, Faculty, and Alumni:

Our achievements are truly remarkable across various domains, encompassing academics, arts, and sports.

R - Research Involvement of Students, Faculty, and Alumni:

In line with our commitment to innovation, driving change, and contributing to the community, we ensure active participation from both internal and external stakeholders in scholarly research endeavors.

E - Excellent Performance in Board Exams, Student Engagement, and Overall Experience:

We boast top-notchers in board exams and highly engaged stakeholders, leading to exceptional overall customer experience.

M - Major Wins in External Competitions:

As part of our global vision, students and faculty consistently make a significant impact through their victories and accolades in renowned psychological organizations.

I - Impactful Social Community Service:

Our sustained outreach activities span over 13 years, and our commitment extends further with the establishment of the SISC Mental Health and Wellness Center, providing assistance to those in need within the community.

E - Empowered Faculty and Students:

Our faculty members hold significant positions in the community, providing ample opportunities for societal contributions. Students are groomed to lead both internal and external activities, paving their way to becoming future leaders in society.

R - Responsive Curriculum and Instruction:

Quality is our utmost priority. Our curriculum surpasses regulatory requirements, ensuring students receive comprehensive education. Consistently high GPAs, positive faculty evaluations, and outstanding board exam performance attest to the excellence of our program.

PERTUSSIS

Pertussis, also known as **whooping cough**, is a highly contagious respiratory infection caused by the bacterium *Bordetella pertussis*. It is known for its coughing fits followed by a high-pitched whooping sound when inhaling.

SYMPTOMS

Whooping cough symptoms usually develop within **7 to 10 days**, but it can take longer.

Early symptoms resemble the following:

Common Cold

Runny Nose

Nasal Congestion

Fever

Cough

After 1 to 2 weeks, the **cough becomes more severe** which may cause the following:

Vomiting

Facial Flushing

Difficulty in Breathing

Whooping Sound after Coughing

Infants may not cough but **may have trouble in breathing or experience a pause in breathing**.

PREVENTION

- Vaccination of DTaP** (Diphtheria, Tetanus and Acellular Pertussis); **Booster doses** for 1 year old, 4-6 years old and 11 year old
- Post-exposure prophylaxis (PEP) of antibiotics**; can be given to close contacts of person with whooping cough to prevent them from getting sick
- Cough and sneeze etiquette**
- Hand washing and good hygiene**
- Wearing face mask** is highly encouraged

TREATMENT

- Early antibiotic treatment can shorten the illness and prevent the spread of bacteria.
- Get adequate rest.
- Increase fluid intake.
- Use cool mist humidifier.
- Do small frequent feeding to avoid vomiting.
- Avoid smoking and exposure to dust and irritants.

HOW TO REPORT BACK TO SCHOOL/WORK?

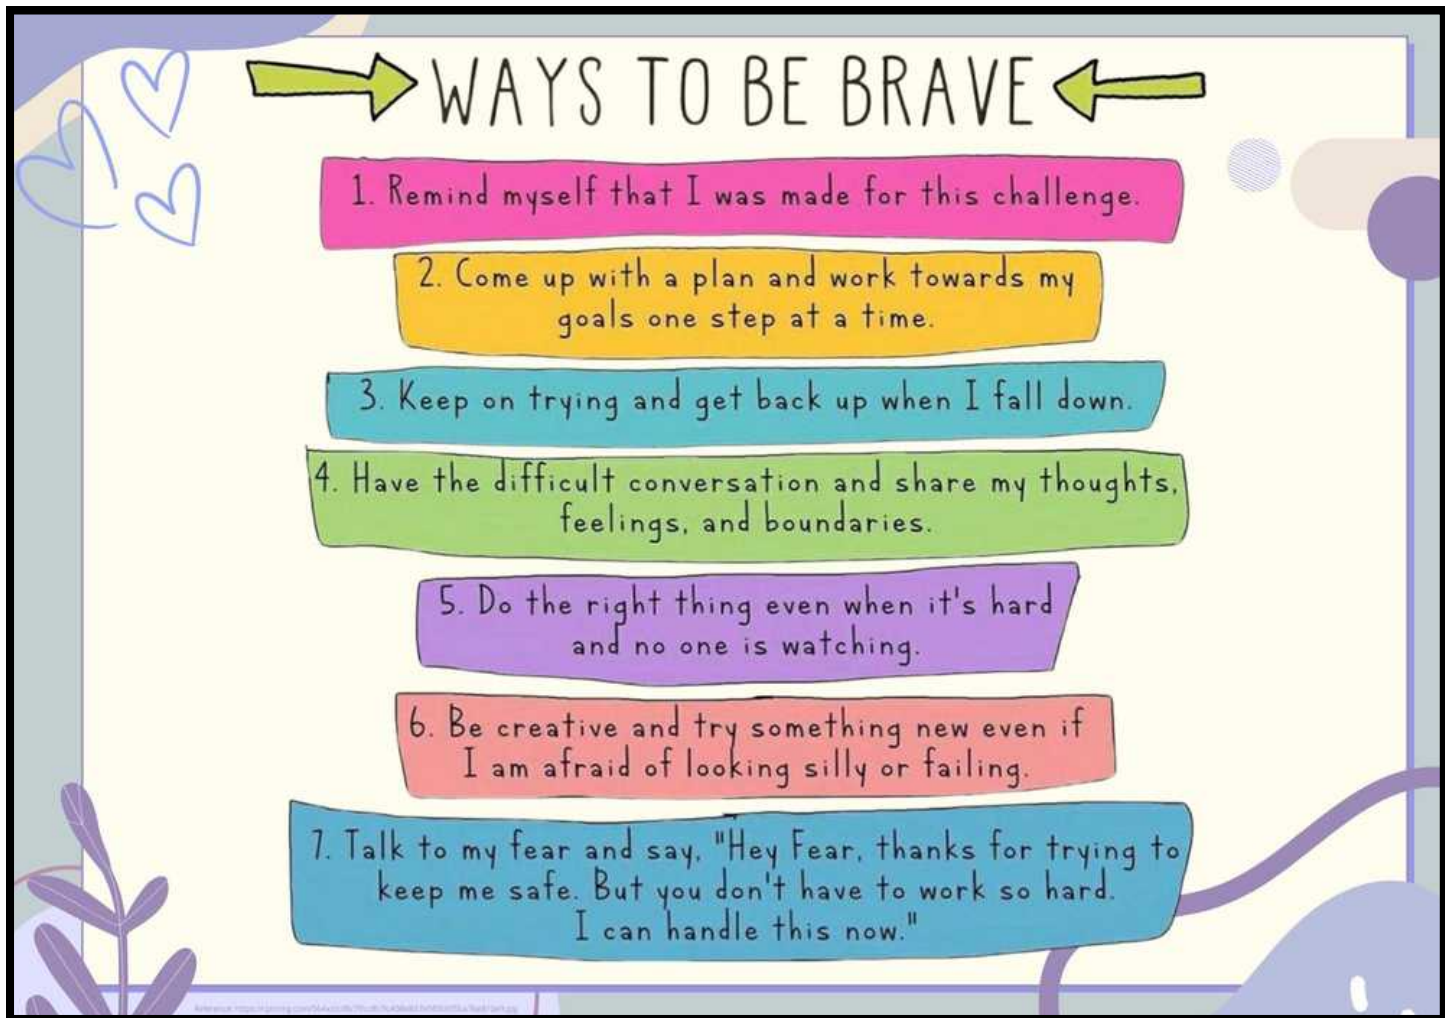

- Please send your medical certificate** (with fit to attend face-to-face classes or fit to work remark) **to medical@southville.edu.ph**
- No fever** (without taking any antipyretic medicine) **for 24hrs** prior to going back to school.
- No one in the household has pertussis** or any symptoms of pertussis.
