MONARCHS TO PERFORM FUNNY FAIRY TALE ROMP ‘PRINCESS WHATSERNAME’

The SISC High School Division, in collaboration with the Southville Theater Arts Guild & Ensemble (STAGE) and Red Cross Youth, proudly presents its staging of the fun musical “Princess Whatsername” on May 23 & 24, 2025, 6:00 PM, at Luxembourg Hall. The hilarious, fairy-tale-style musical features talented performers from Munich and Luxembourg Campuses, who will add new takes on the stories everyone loves.

It tells the story of the aptly named princess who wakes up in a magical forest and does not remember who she is. As she tries to figure out her identity, she is assisted by a variety of classic fairy tale characters who she meets along the way — Hansel and Gretel, Rumpelstiltskin, Goldilocks, the Three Bears, Snow White, the Seven Dwarves, Cinderella, and Rapunzel to name a few. As with any good fairy tale, there’s also a prince who keeps rescuing the wrong damsels!

Tickets are on sale through <https://sites.google.com/southvil.../princess-whatsername...> for VIP, Orchestra Center, Side Loge, Orchestra Side, and General Admission seats. The proceeds will go to support Southville for Others (SFO) outreach programs, and future STAGE productions. VALUE OF THE WEEK

• ***Going Beyond One's Comfort Zone -
Testing Limits***

by: Quennie Monalisa Ragay (7th Grade Kindness)

Since joining Southville, I've had several experiences that have been eye-opening and rewarding. One of the most exciting was participating in the English Fortnight singing competition, where I won first runner-up. This achievement made me realize how much I've grown as a singer. I also had the opportunity to perform in Talent Night, where I was part of the ensemble and even had a solo. Although it wasn't my first time performing, it was my first time doing so in Southville, and it was both thrilling and nerve-wracking.

Another significant experience was being selected as a Global Monarch Ambassador. My section was assigned to Malaysia, and I represented my section in the program. It was a chance for me to develop leadership skills and connect with others in ways I hadn't before.

These experiences have shaped me by pushing me to grow beyond my comfort zone. Competing in the English Fortnight and performing in Talent Night helped me build confidence in my abilities, especially in front of an audience. It taught me that practice and perseverance are key to success. Representing my section in the Global Monarch Ambassador program helped me improve my leadership and communication skills as I learned how to represent others and engage with people. Overall, these experiences have made me more confident, disciplined, and open to new opportunities, both academically and personally.

In everyday school life, I'm often faced with balancing schoolwork, group projects, and extracurricular activities. At times, this can feel overwhelming, but it's taught me how to manage my time more effectively. Additionally, I regularly find myself speaking up in class or taking on leadership roles, which pushes me to be more active and engaged. Performing and representing my section have also encouraged me to face my fears and step out of my comfort zone, helping me grow as a student and as an individual.
