

STUDENTS AND PARENTS' BULLETIN

SOUTHVILLE INTERNATIONAL SCHOOL AND COLLEGES

YEAR-END MESSAGE OF PRINCIPAL

This is the **final Students and Parents' Bulletin** for the **academic year 2024–2025**, and time definitely flew by! I have enjoyed seeing many of you and celebrating at various end-of-year events that acknowledge the contributions and achievements of our **students, faculty and staff**. As this school year comes to an end, I have reflected on our successes and challenges, and keep coming back to one thought—how grateful I am.

I am grateful to our students for choosing to attend Southville International School and Colleges (SISC), and for sharing your talents and energy with us on campus every day. As I watch you study, create, compete and perform, I am in awe of your intellect, skills, and your uncompromising commitment to excellence. Our unwavering dedication to ensure SISC is the finest school we can imagine is because of you.

Vision

Southville International School and Colleges is recognized nationally and globally in the delivery of international education to develop lifelong learners, excellent in academics and values, and movers of society who will make a difference in the 21st century.

Mission

SISC is committed to develop lifelong learners who are equipped with the 5Cs (Competence, Character, Commitment to Achieve, Collaboration, Creativity/Innovation) through data-driven and technology-enhanced educational programs to ensure student success in the 21st century.

As impressive as our students may be, we know they did not get to this point on their own. To our **parents and families**, thank you for your trust, partnership, and support that has enabled your children to follow their dreams and achieve great things. Whether your child just began his or her educational journey in preschool or just crossed the graduation stage, your involvement, encouragement, and partnership have contributed to their growth and success.

I am grateful to our faculty and staff for building an academic environment where students are empowered to develop their gifts, and bloom toward their full potential. Every day you arrive in your classroom eager to teach and inspire students, open their eyes to new ideas, and help shape them into the people they will become. I am always amazed at the impactful and creative work that you are doing with students daily.

I cannot thank everyone enough for the amazing year we have had! The success of this year was largely due to all of you who have contributed in ways small, large and unimaginable. I hope the time off will give everyone a chance to balance relaxation with continued learning—and that you share in my anticipation of another dynamic year. Thank you already for what we are going to do together in the upcoming academic year!

SISC HOLDS THE CLASS OF 2025'S COMMENCEMENT EXERCISES

It is graduation season in Southville International School and Colleges (SISC) with the **Grade School Class of 2025** taking over Luxembourg Hall last **June 26, 2025**, and the **High School Class of 2025** doing the finale on **July 1, 2025**. A total of **115 Grade Six students** and **176 Grade 12 seniors** were represented in the graduating classes.

SISC CELEBRATES IXL EXCELLENCE: HONORING OUR YOUNG SCHOLARS

At **Southville International School and Colleges (SISC)**, we take great pride in nurturing students who are eager to grow and excel. We are thrilled to recognize and celebrate the remarkable achievements of our SISC students who earned the prestigious **Exceeding IXL USA Standards Award**—a clear reflection of their commitment to mastering essential academic skills.

The **Exceeding IXL USA Standards Award** is presented to students who surpassed U.S. grade-level benchmarks based on their final scores in the **IXL Diagnostic Post-Test** taken between May and June 2025. Their outstanding performance demonstrates advanced proficiency in core subjects like English, Math and Science, showing not only mastery of grade-level content but also readiness for more complex and higher-level concepts.

This award is more than just a medal—it's a symbol of hard work, perseverance, and a growth mindset. These students fully embraced IXL, an adaptive and personalized online learning platform that SISC values deeply for its proven ability to strengthen foundational skills in English, Math, and Science.

We encourage all Monarchs to continue using IXL over the summer break. Think of it as your personal online tutor—one that adjusts to your learning needs and prepares you for the next academic level. Practicing regularly on IXL ensures that you retain what you've learned and are ready to hit the ground running when school resumes.

To our awardees: You inspire us with your drive and discipline. Keep pushing boundaries, keep learning, and continue to make the most of every tool at your fingertips. Your success is a testament to what's possible when technology, dedication, and curiosity come together.

Let's all aim high, and let IXL be your guide to reaching new heights!

SISC STUDENT CO-AUTHORS PUBLISHED BOOK ON HOYA PLANTS

We proudly congratulate Gabriel Alfonso Hartley of Grade 9 – Generosity for his remarkable achievement as a co-author of the newly published book *Hoya A to Z*—a comprehensive and richly illustrated guide to the fascinating world of Hoya plants.

Gabriel’s chapter, “A Young Gardener’s Hoya Alphabet,” chronicles his inspiring journey into the world of horticulture, which began at the age of 11. Guided by his mother and trained by esteemed breeders and taxonomists from the University of the Philippines Los Baños (UPLB), Gabriel developed a deep appreciation for Philippine Hoya species and mastered the art of hand pollination. What started as a curious hobby of imitating others in the garden evolved into a passion driven by discovery and perseverance.

Today, Gabriel has successfully cultivated 87 Hoya hybrids, some of which are already being circulated in international markets, including the USA, UK, and Canada. His hybrids featured in the book include:

- **Hoya ‘Gabriel’** (H. cutis-porcelana RJ1 × H. callistophylla GHX-01)
- **Hoya ‘Barbie’** (H. cutis-porcelana × H. blashernaezii ssp. valmayoriana GHX-03)
- **Hoya ‘Stars of Poonam’** (H. deleonorum × H. penaphlebia GHX-02)

Hoya A to Z is not just a plant guide—it’s a captivating exploration of the Hoya genus that includes rare Filipino-bred varieties, practical cultivation tips, and horticultural inspiration for both beginner gardeners and seasoned collectors. Copies of the book have now been deposited at the Philippine National Library, solidifying Gabriel’s contribution to the growing body of botanical literature.

Gabriel’s story is a testament to how curiosity, mentorship, and a love for learning can blossom into something truly impactful. SISC celebrates his achievement and hopes it inspires fellow Monarchs to pursue their passions and make a mark in their own unique ways.

ONLINE APPLICATION FOR FETCHER'S AND PERMANENT GATE PASS FOR AY 2025-2026

Dear Parents,

For Academic Year 2025–2026, the following passes must be applied prior to the start of classes. These are required to ensure students are released only to authorized individuals and are dismissed properly based on confirmed transportation arrangements, in accordance with the school’s safety and security procedures:

FETCHER’S PASS

A fetcher refers to a parent, guardian, or authorized adult designated to pick up a student. The Fetcher’s Pass is a printed ID card that serves as official identification during dismissal.

A maximum of three (3) Fetcher’s Pass ID cards will be issued per application. However, one Fetcher’s Pass is valid for multiple SISC students (siblings or group) under the same authorized fetcher, including those enrolled across both K12 and IB campuses.

 **Online Application for Fetcher’s Pass**

PERMANENT GATE PASS (PGP)

Available only for Grades 7 to 12 and IB1 & IB2, the Permanent Gate Pass is a digital pass issued to students and used exclusively during dismissal. For VOLT students, the e-PGP may also be used during campus visits that are arranged in advance and approved by the Deputy Principal.

 **Online Application for Permanent Gate Pass**

You may expect a follow-up communication from the Office of the Discipline or an authorized school representative to verify details based on your submitted application.

Thank you for your continued cooperation in keeping our students safe and secure.

INTERESTED IN AFTER-SCHOOL MUSIC LESSONS?

With music's positive impact on children's creativity, social skills and academic performance, SISC is partnering with the **Yupangco Music Academy** to offer after-school music programs as enrichment learning experiences. From piano to guitar, drums, violin, ukulele, saxophone, flute, recorder and voice, there is something for everyone to master at their own pace.

Please answer the **YMA Survey** or scan the QR Code below so the school will know your desired instrument and program preferences, and you can get in touch with your inner musician. The results of the survey will be used to develop the after-school music programs that meet the needs and interests of SISC community members.

Erratum:

Last week, we published the list of **2025 Final Round Awardees for the Hong Kong International Science Olympiad (HKISO)**. We would like to issue the following correction:

Gabriel Dino of **Grade 5 - Trustworthiness** won **Gold**, which was inadvertently omitted.

We apologize for the oversight and congratulate Gabriel for his outstanding performance!

SOCIAL-EMOTIONAL LEARNING (SEL) CORNER

HAVE A BREAK!

Many studies suggest that taking time off is beneficial for mental, physical, and overall health. It lowers stress, boosts mood, improves focus, helps to have a better outlook on life, and inspires to have more motivation to achieve goals.

A mental health vacation is a short break that helps our mind relax and recharge.

Here are easy ways to take a mental break:

- 1 Imagine a peaceful place.**
Close your eyes and imagine your favorite place. Think about what you see, hear, smell, and feel.
- 2 Try deep breathing.**
Inhale slowly through your nose. Hold for three (3) seconds. Then exhale through your mouth. Do this a few times to keep calm.
- 3 Spend time with a pet.**
Having a dog or cat as a pet can lower stress levels and boost happiness.
- 4 Stretch / Exercise.**
Stretch those muscles and loosen up the body to help your brain feel better too.
- 5 Schedule fun time.**
Plan activities you enjoy like reading, painting, chatting with friends, and put them in your calendar. You can make a 'mental break jar' filled with fun ideas for you to explore when you need a recharge.

Mental breaks are necessary. By stepping away, we give our minds space to breathe, reset, and restart stronger. These breaks build stronger resilience and stay balanced.

A calm and refreshed mind is ready to learn, grow, and thrive!
