“Say It Kindly: Our Politeness Launch”

SMIS Preschool proudly held its Values Launching on **Politeness** last November 24. Our young Monarchs were introduced to simple yet meaningful ways to show courtesy in their daily interactions—using kind words, greeting others warmly, and showing respect to classmates and teachers. Through stories, songs, and fun activities, the children learned how small acts of politeness create a happy and caring school environment. The event was filled with smiles and heartfelt participation, reminding everyone that good manners truly make a big difference.

The orientation helped learners choose a club that matches their interests and passions, setting the stage for a meaningful and enjoyable club experience ahead. With curiosity and enthusiasm in the air, our Monarchs are now ready to explore, create, and grow through their chosen Interest Clubs.

Discipline Drives Success

Completing Tasks with Perseverance and Discipline

DISCIPLINE

Start with a clear, realistic goal
Write down exactly what you want to finish and make goals realistic and measurable

Break tasks into very small steps
Treat each small step as a mini-task to finish; this makes it less scary and easier to start

Use routines and a daily schedule
Keeping the same routine each day builds automatic behavior so you rely less on motivation and more on habit.

Stay Focused

Remove friction and distractions
Reduce distractions by keeping your phone away, blocking distracting apps, or studying in a quiet spot
