“Vote Smart, Vote Monarch! A Day of Campaign with the Future Student Leaders

Last October 14, the vibrant spirit of leadership filled the halls of Southville Monarchs International School as student candidates made their rounds during Campaign Day. With creativity and confidence, they visited each grade school classroom, proudly presenting their campaign posters and sharing their plans to make school life even better. The day was filled with cheers, excitement, and friendly competition showcasing the Monarchs’ enthusiasm for service, teamwork, and responsible leadership.

Vision

Southville Monarchs International School (SMIS) is recognized nationally and globally for providing a solid foundation in academics and values to develop lifelong learners who will live productive and happy lives.

Mission

Southville Monarchs International School is committed to equip learners with the 5Cs (Competence, Character, Commitment to Achieve, Collaboration, and Creativity/Innovation) through an internationally based academic curricula and universal values programs.

These programs are facilitated by competent, creative and caring teachers within a safe and conducive learning environment.

- 6Qs* Program (Diligence Quotient + Intelligence Quotient + Reading Quotient +, Emotional Quotient + Computer-Technology Quotient= Success Quotient)
- Harvard Executive Functions (Memory, Cognitive, Flexibility, Impulse Control)
- Artificial Intelligence (AI) and Technology-Driven Programs
- Values Program

Everyone is excited as the Class Elections approach on **October 20**. Students are eager to cast their votes and choose their future grade school leaders who will represent their voices and lead with purpose. The newly elected class officers will have their Oath Taking on October 21, marking the start of their journey as young Monarch leaders. ***Vote smart, vote wisely!***

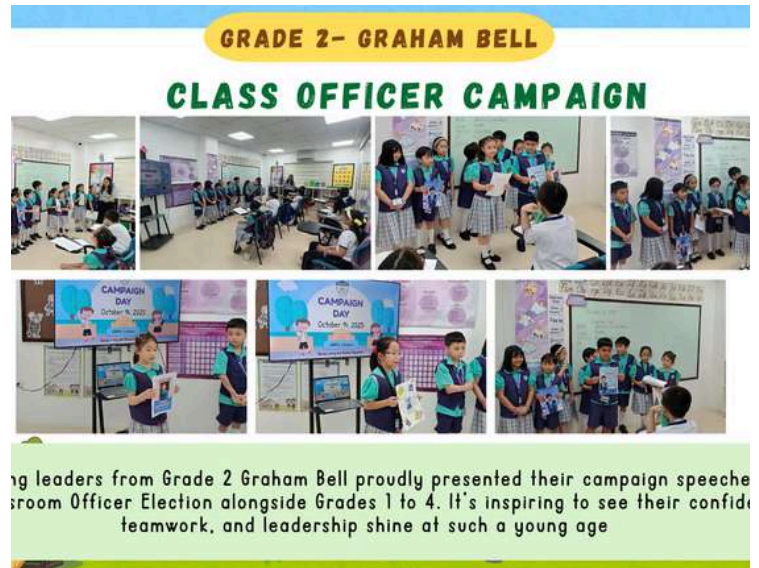

October 14 – Campaign Day for Class Officers:
The students had their campaign day for class officers. They confidently shared their platforms and encouraged their classmates to vote for them.

BE GLOBAL. BE AMAZING. BE SMIS.

Grade 3 Peace Campaign Day

Young leaders from Grade 2 Graham Bell proudly presented their campaign speeches during the Classroom Officer Election alongside Grades 1 to 4. It's inspiring to see their confidence, teamwork, and leadership shine at such a young age.

MONARCHS MOMENTS

"Guided by Greatness: SMIS Celebrates Teacher's Day!"

Last October 13, Southville Monarchs International School celebrated Teacher's Day with joy and gratitude. The day started with enthusiasm as students dressed up like a teacher. The celebration featured special intermission numbers from talented Monarchs Reese Cargo of Grade 3 with her touching rendition of the "Thank You" song, Cia Timbang of Grade 4 Hope showcasing her piano skills, and a lively dance performance by the Grade 2 Graham Bell class. The event was filled with heartfelt appreciation from parents, students, management, and non-teaching employees, who shared their warm video greetings in honor of the teachers' dedication and love for learning.

EMERGENCY PREPAREDNESS: GO BAG

In line with our commitment to ensure the safety and well-being of all students, we would like to request your support in preparing a **"GO BAG"** for your child. Being prepared for an emergency is not only about safety during a disaster, but also about ensuring that students remain calm, comfortable, and cared for during unforeseen situations.

Kindly include the following items:

- Emergency contact card/s containing the names and contact numbers of parents/guardians or authorized fetchers
- 250 ml bottled water
- Snacks or non-perishable food items (such as crackers, biscuits, or cookies)
- Small flashlight
- Whistle (for signaling)
- Towel
- Extra shirt
- Small portable fan
- Personal Medicine

Water and snacks will be replaced every two (2) weeks to ensure freshness.

All items should be neatly placed in a handy bag that will serve as the student's **"GO BAG"**, which will remain in the student's classroom for easy access during emergencies.

We sincerely thank you for your cooperation and continued support in maintaining a safe and prepared learning environment.

SMIS EARTHQUAKE PREPAREDNESS AND RESPONSE GUIDELINES FOR PARENTS

At SMIS, student and staff safety are our top priorities. During an earthquake, we follow a well-established safety protocol designed to respond quickly and effectively. Please review these guidelines to understand how we manage earthquake incidents on campus.

1. School Earthquake Safety Procedures

Pre-Event Preparedness

- Regular earthquake drills are conducted to familiarize students and staff with safety procedures.
- Safe zones and evacuation routes are clearly marked within the school campus.
- Emergency kits and first aid supplies are maintained at key locations.

During an Earthquake

- When shaking begins, all students and staff are instructed to **"Drop, Cover, and Hold On"** immediately.
- Students are directed to take cover under desks or tables or against interior walls, away from windows and heavy objects.
- Teachers and staff ensure everyone remains calm and holds their position until the shaking stops.

Post-Shaking and Evacuation

- Once the shaking stops, the emergency team assesses the situation quickly.
- Students and staff are then evacuated promptly and calmly to their assigned safe areas or evacuation zones on campus.
- This orderly evacuation is conducted immediately after the shaking, following pre-planned routes and protocols.

SMIS EARTHQUAKE PREPAREDNESS AND RESPONSE GUIDELINES FOR PARENTS

Additional Safety Measures

- If the facility is deemed unsafe or further action is necessary, evacuation to designated safe zones outside the school premises will be initiated.
- The school communicates with parents as soon as possible to inform them of the situation and any required actions.

2. Parental Role During School Earthquake Response

- Trust the trained staff and follow their instructions during these emergencies.
- Ensure your child's emergency kit is prepared and includes essentials such as water, snacks, and medications.
- Reinforce with your child the importance of staying calm and following their teacher's safety instructions.

3. Communication Protocols

- To facilitate effective communication, it is vital that parents provide the school with current emergency contact numbers.
- In case of an emergency, advisers, deputy principals, and school secretaries are responsible for contacting all parents and guardians to update them on the situation.
- Regularly update your contact details with the school to ensure you receive timely information.
- Stay alert to official notifications from the school through emails, texts, or phone calls for further instructions.

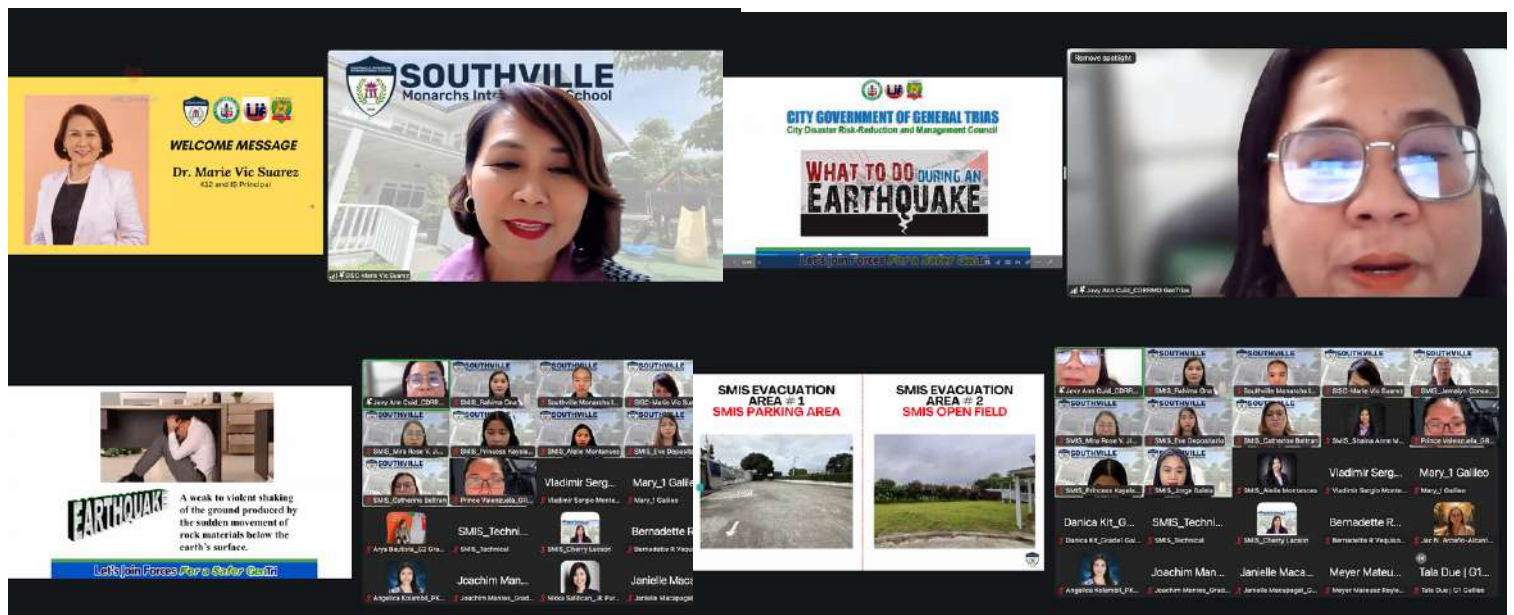

SMIS EARTHQUAKE PREPAREDNESS AND RESPONSE GUIDELINES FOR PARENTS

4. After the Earthquake

- Follow the instructions from school or local authorities if evacuation, repair, or additional safety measures are required.
- Verify your child's safety through the school's official communication channels.
- Be prepared for aftershocks and avoid damaged or unsafe areas.
- Support your child emotionally and reassure them that safety measures are in place.

At SMIS, we are committed to safeguarding our community through preparedness and effective response. Your cooperation in practicing safety routines at home and providing accurate emergency contact details is essential. Together, we can ensure a safe environment during earthquakes and other emergencies.

Thank you very much for taking the time to attend our Earthquake Preparedness Plan Orientation last October 18. Your active participation and thoughtful questions truly reflect our shared commitment to keeping our Monarchs safe and ready in times of emergencies.

SMIS EARTHQUAKE PREPAREDNESS AND RESPONSE GUIDELINES FOR PARENTS

The image shows a Zoom meeting grid with 50 participants. The participants are arranged in a grid that is approximately 10 columns wide and 5 rows deep. Each tile contains a video feed of a participant, their name, and their affiliation. Many participants are from Southville Monarchs International School (SMIS). The names and affiliations of the participants are as follows:

SAFETY REMINDERS FOR ALL MONARCHS

In our continued effort to keep everyone safe and prepared, all Monarchs are reminded to bring their hard hat, helmet, or any sturdy protective headgear as an alternative to school and leave them in their classrooms for emergency purposes. This is part of our ongoing earthquake and disaster preparedness measures to ensure that everyone is protected in case of unexpected events.

We also encourage all students to wear face masks inside the classroom to help prevent the spread of influenza-like illnesses and keep our learning environment healthy and safe for all.

Let's continue to take care of ourselves and one another, Monarchs because safety is everyone's responsibility.
