Voices of Victory: Meet Our Newly Elected Class Officers!"

Congratulations!

Last October 21, the Grade School Department held its Election and Oath-Taking Ceremony for the newly elected class officers. The event highlighted the importance of student leadership, responsibility, and teamwork. The winning officers officially sworn into pledging to serve their classmates with honesty and dedication. The ceremony concluded with words of encouragement from the Deputy Principal and SLGE teachers, reminding the young leaders that true leadership begins with service and setting a good example for others.

Vision

Southville Monarchs International School (SMIS) is recognized nationally and globally for providing a solid foundation in academics and values to develop lifelong learners who will live productive and happy lives.

Mission

Southville Monarchs International School is committed to equip learners with the 5Cs (Competence, Character, Commitment to Achieve, Collaboration, and Creativity/Innovation) through an internationally based academic curricula and universal values programs.

These programs are facilitated by competent, creative and caring teachers within a safe and conducive learning environment.

- 6Qs* Program (Diligence Quotient + Intelligence Quotient + Reading Quotient +, Emotional Quotient + Computer-Technology Quotient= Success Quotient)
- Harvard Executive Functions (Memory, Cognitive, Flexibility, **1** Impulse Control)
- Artificial Intelligence (AI) and Technology-Driven Programs
- Values Program

“Signed, Sealed, and Voted: The Monarchs Choose Their Leaders!”

Last October 21, Southville Monarchs International School held its Class Officer Votation for the Grade School Department. Students exercised their right to vote by casting their ballots, each marked with their signature and thumbmark, symbolizing honesty and responsibility in choosing their leaders. The atmosphere was filled with excitement and anticipation as the monarchs thoughtfully selected the classmates they believed could represent them with integrity and dedication. The activity aimed to promote the values of fairness, accountability, and participation, allowing students to experience the true spirit of democracy within the school community.

CELEBRATING OUR IXL CHAMPIONS!

We are proud to celebrate the outstanding achievements of our Monarchs who excelled in the recent IXL School-wide Leaderboard held from October 20 to October 24, 2025. Through their dedication and commitment to practice, these students showcased excellence by mastering the most skills during the competition period. Their hard work and perseverance truly set them apart. Congratulations to our Top 3 performers for this week of leaderboard challenges! Your achievement reflects not only your talent but also your determination to keep learning and growing. Keep practicing, keep mastering—and you might just be the next IXL Champion!

FREQUENTLY ASKED QUESTIONS ABOUT IXL

What is IXL Learning?

The primary focus of IXL Learning is to enrich, extend, and remediate grade-level math and language arts with a fun, hands-on, technology-based experience. IXL Learning is here to help your child grow, with immersive learning, insights into progress, and targeted recommendations for next steps.

How will IXL Learning support my child?

This program is not geared towards students moving ahead or going faster. It is about students learning more and going deeper into their current curriculum. With IXL, students can:

- Find unlimited practice problems specifically tailored to the standards and build mastery of specific standards and skills.
- Record the amount of time they spend practicing so that teachers and parents can examine student progress and time spent on each skill.
- Encounter enrichment activities that are engaging.

How does my child access IXL?

- Your child can access IXL Learning at:
<https://www.ixl.com/signin/mcsd>
- Students can use their school issued computer or iPad or a personal device (home computer, smartphone, tablet).
- Once the IXL Sign In window appears, your child will access their IXL Learning Account by clicking on the "Sign in with Clever" link. Once in, students begin by clicking on the Diagnostic option and then choose Math or Language Arts.

FREQUENTLY ASKED QUESTIONS ABOUT IXL

What is the Real-Time Diagnostic?

The Real-Time Diagnostic pinpoints students' levels of understanding in math and language arts, and it can be accessed anytime. Teachers receive up-to-the-minute insights, and students are offered tailored recommendations. After students reveal their levels, answering 10-15 questions a week will keep the Diagnostic up to date!

How can I support my child at home?

IXL's Real-Time Diagnostic is an easy and effective way to assess your child's learning. To make the assessment a success, and the recommended practice that will follow, it's important to get you involved!

How you can help:

- Set up a quiet space for your child to work. As with any assessment, it's important for them to have a distraction-free environment.
- Make sure your child has scratch paper and a pencil handy to work through questions as needed. Only advance high school students who commonly use a calculator in class should use one when working in the diagnostic. Encourage your child to try their best. They will not get every question correct, but the diagnostic will tell us what they know and what they are ready to learn next. If they're unsure about a question, they can click "I don't know this yet" and move on.
- Do not assist your child with any questions from the diagnostic. For their scores to be accurate, they must answer every question independently.

SCHEDULE OF MID-YEAR BREAK

The Mid-Year Break of students will start on October 27, 2025. The mid-year break will allow students to rest and recharge from their academic work while also commemorating All Saints' Day and All Souls' Day. Classes will resume on **November 5, 2025**. SMIS offices, meanwhile, will be closed on October 30 – November 2, 2025 in observance of All Saints' Day and All Souls' Day.

AUTOMATIC CLASS SUSPENSION GUIDELINES

MONARCHS MOMENTS

Parade of Nations Jr.

Last October 23, the Parade of Nations Jr. was held at The Centennial Events Hall, Mana Town Center, celebrating the rich diversity of cultures around the world. The program began with a colorful parade of each grade level proudly showcasing their assigned country through creative and vibrant costumes. The excitement continued with delightful dance presentations, where every level performed with enthusiasm and pride. The event concluded with a simple salo-salo, as students, parents, and teachers enjoyed visiting each country booth and tasting their featured cuisines. It was truly a joyful and meaningful celebration of unity in diversity, a day where learning, culture, and fun came together beautifully.

SPOOKTACULAR HALLOWEEN

Last October 24, 2025, Southville Monarchs International School held its Spooktacular Halloween Party, a fun-filled celebration that brought smiles and excitement to our young Monarchs. The program began with a plenary session where students learned interesting trivia and exciting facts about Halloween, sparking curiosity and laughter. The highlight of the day was the Trick-or-Treat activity, where children joyfully went around in their creative costumes, collecting treats and sharing spooky fun with friends and teachers. It was truly a memorable day of learning, laughter, and festive Halloween spirit at SMIS!
