ABM STUDENTS BRING HOME OVERALL CHAMPIONSHIP IN BUSINESS COMPETITION

Southville International School and Colleges (SISC) emerged as the Overall Champion of the Southville Global Education Network Business Plan Competition 2026. The members of the winning team were Gr. 12 - Service students Max Gallos, Jean Jarrell, and Eliger Maristela, under the guidance of their coach, Jerrimae Gutierrez.

Their innovation, MarketMind Games: Philippine Stock Trading Board Game, impressed the judges with its originality, educational value, and innovative approach to financial literacy. The team achieved an extraordinary triple victory, winning not only the Grand Championship Title, but also the special awards for Best Paper and Best Prototype.

MONARCHS CONQUER THE HSK!

Congratulations to our outstanding Monarchs for successfully passing the HSK Examinations! Your hard work, perseverance, and dedication to learning the Chinese language have truly paid off.

Your achievement reflects not only academic excellence but also your courage to embrace new languages and cultures. We are proud of your success and excited to see you continue reaching greater heights.

Congratulations, Monarchs!

MONARCHS WHO READ, MONARCHS WHO LEAD

In a world where many young people spend hours scrolling through their phones, these students chose something different — they chose to read, to imagine, to learn, and to grow.

We proudly recognize our Top Borrowers from the Library for showing that books still have the power to inspire minds, shape character, and open doors to endless possibilities. Every borrowed book represents curiosity, discipline, and a desire to become wiser and better individuals.

Reading is not just a habit; it is a superpower. Leaders, innovators, CEOs, scientists, writers, and changemakers are often readers first. Through books, we travel to places we have never been, understand lives different from ours, and discover ideas that can change our future.

May your love for reading continue to inspire your fellow Monarchs to put down their phones once in a while and pick up a book that can change their life.

Congratulations to our Top Library Borrowers!

STARS, HEARTS, AND LAURELS: ALUMNI ACHIEVERS SPOTLIGHT

Welcome to our "Alumni Achievers Spotlight" – a dedicated corner where we celebrate the remarkable accomplishments of our former students. Our alumni have gone on to achieve great success in various fields, serving as a source of inspiration for current students and parents alike. In this space, we will share their inspiring stories, achievements, and the valuable lessons they've learned on their journey from our school to their dreams. Join us in celebrating the excellence of our alumni and discover the limitless possibilities that await our current students.

2026 SGEN Alumni Tournament Unites the SGEN Community

The 2026 SGEN Alumni Tournament successfully brought together alumni from all SGEN schools in a day filled with sportsmanship, camaraderie, and school pride.

With nearly 500 attendees, including alumni, family members, friends, students, faculty, and staff, the event became a meaningful celebration of connection and community. Participants enjoyed friendly competition while reconnecting with former classmates, meeting fellow alumni, and strengthening their ties to the SGEN family.

More than just a sporting event, the tournament showcased the enduring spirit of the SGEN community, fostering fellowship, teamwork, and lasting memories among participants and supporters alike.

Congratulations to all the champions and awardees of this year's Alumni Tournament!

Think Differently, Solve Better

*Using Innovative Approaches to Address Academic and
Everyday Challenges*

Break Big Challenges into Smaller Steps

Divide problems into smaller, manageable parts and focus on completing one step at a time.

Practice Design Thinking in Everyday Life

- Understand the problem
- Think of several possible solutions
- Choose one to try
- Evaluate the results.
- Improve and try again if needed

Keep an “Innovation Journal”

Write down:

- Problems you encounter
- Ideas for solving them
- Strategies that worked well
- Lessons learned from challenges
